Leydecker Retains District Stronghold

Five Of 28 Precincts Are Split

By RICHARD LYTTLE

What is the political significance of the Leydecker redistricting plan adopted by Marin County Supervisors Tuesday?

For one thing, the author of the plan, Supervisor Byron W. Leydecker, in giving up all or a portion of 28 voting precincts in his First District, is not giving up any stronghold of support.

Leydecker won re-election to the board of supervisors over San Rafael Mayor John F. McInnis Nov. 3 by a vote of 9,799 to 9,453. However, in the precincts going from Leydecker's district to the Fourth District, records show that the vote was 2,554 for Leydecker and 2,585 for McInnis.

Of the 28 precincts, three produced tie votes, 17 went for McInnis and eight for Leydecker.

Vote totals in precincts transferred among other supervisors by the plan followed closely the total district votes.

Five of the 28 precincts in the old First District are being split by the plan, with a portion going into the Fourth District and a portion remaining in the First District.

The change, which increases the population in the Fourth District from 3.9 per cent of the county total to 18.9 per cent, was adopted by supervisors Tuesday in a 4-0 vote, with Supervisor William D. Fusselman absent.

The action came after a few minor changes in the original Leydecker proposal. The changes reportedly were made to avoid splitting voter precincts and in some cases to follow school district boundaries.

However, a check with the county election department showed that some precincts will be split, the five already mentioned from the First District, and one from the Fourth District.

The split precinct in the Fourth District allows the con-

STORER ASKS 'ENTERPRISE' PHONE LINK

Thomas T. Storer said today that he will ask on taking office as county supervisor that the county provide him with an "Enterprise" telephone number.

The reason: So his new constituents in San Rafael, Larkspur, Corte Madera and Kentfield won't have to pay toll to call his home in Inverness Park.

Pacific Telephone and Telegraph Co. charges 4¼ cents (one message unit) for each three minutes on a call from any of these to Inverness Park.

With an "Enterprise" number, they could call toll-free. The tolls would be charged to the county.

William Risto, Oldest Marin Resident, Dies

Marin County's oldest resident, William Risto, who lived alone in an aluminum-painted cabin at Point Reyes Station was found dead yesterday. He was 104.

Risto was born June 24, 1860, in Germany. He moved to Texas at an early age and farmed there for many years. In 1895, he became a United States citizen.

In California, Riso contributed his durable strength as a timberman and "powder monkey." He cut virgin redwood in Northern California and helped build the Western Pacific Railroad up the Feather River canyon.

He moved to San Francisco in 1902 and finally retired to his

Political Aspect Is Ruled Out

Supervisor Byron W. Leydecker and Supervisor-Elect Ernest N. Kettenhofen today defended the supervisorial redistricting plan adopted Tuesday and denied it has any political motivation.

But Supervisor-Elect Thomas T. Storer and Mayor Neil R. Brixon of Larkspur criticized the plan as splitting up communities of interest and being illogical.

The four spoke on radio station KTIM's "Marin Sounding Board" program, moderated by Kitty Oppenheimer. Today's debate will be re-broadcast 12:30 p.m. Sunday.

Leydecker outlined a brief history of redistricting, pointing out that the State Supreme Court has ordered redistricting by Jan. 15. He said the main criterion in redistricting is to equalize population in each of the five districts.

Since more than 90 per cent of the county's population lives in the eastern corridor of Marin, Laydecker said the only way to equalize population was to have West Marin (which had 4 per cent of the population) cut into the population center on the eastern corridor.

But Storer, supervisor-elect for District 4, described the plan as "a very bitter pill to swallow."

"There is no contiguity in my district except a phantom corridor," said Storer. He said it would take him well over an hour to drive from one end of his district to the other (Point Reyes to San Quentin).

Storer complained that Synanon Foundation property in Marshall, which had been in District 5 (North Marin) in the original redistricting plan, was "tossed back into my area."

He said Fairfax, Sleepy Hollow and parts of San Anselmo, or Fairfax, Sleepy Hollow and Sausalito could have been added to the Fourth District instead of shooting a corridor through Ross Valley and into San Rafael.

Kettenhofen, new supervisor for District 2, defended the Leydecker plan as a reasonable one.

Kettenhofen opposed Storer's suggestion that Fairfax, Sleepy Hollow and San Anselmo be added to District 4. "The people in those areas said they are suburban rather than rural and

Feasibility Of Marincello Is Questioned At Forum

Two members of a speakers panel took skeptical views of Marincello, proposed city of 25,000 people on headlands west of Sausalito, at a full-house forum last night at the Marin Civic Center.

A third speaker, however, praised Frouge Corp. for its imaginative plans for the city.

About 300 persons gathered for the "preview," filling the combined supervisors and planning commission chambers to standing-room-only. It was believed to be the largest audience yet gathered at the Civic Center.

Frogue Corp., which plans to develop the city in stages during the next 15 years, outlined its plans for homes, high-rise apartments, industrial and commercial development.

Then the three-man panel raised a question about traffic,

Forty-Niners Re-Hire Coach

SAN FRANCISCO (UPI) — Jack Christiansen, who has coached the San Francisco Forty-Niners to two upset victories during the past two seasons but not much else, was re-hired today for an indefinite period.

"I am very pleased to announce that Christiansen will be our head coach next year and for many years to come," managing owner Lou Spadia said. "We are making the announcement at this time and in this way to prevent speculation both now and in future years about our future coach."

The Forty-Niners are at the bottom of the Western Division in the National Football League with a 3-9 record.

State Conducts Massive Arrests Of Cal Sit-Ins

Hundreds Are Jailed; Aides Post Pickets

BERKELEY (UPI)—Helmeted police today began arresting 900 persons who sprawled all night in the University of California administration building in a "free speech" demonstraton which the state's governor described as anarchy.

Rebel leaders called for a general strike by the 27,500 students here and a number of sympathetic graduate students employed as teaching assistants failed to show up to conduct classes. Absenteeism was reported high in other classes.

Gov. Edmund G. Brown ordered the mass arrests. He termed the demonstration anarchy and said "we're not going to have anarchy in the State of California while I'm governor."

Eight hours after police began hauling out the sit-in demonstrators, Alameda County Deputy Dist. Atty. Jack Noonan said 363 persons had been arrested —30 to 40 per cent of them were not students.

The rebels gained an ally when the Teamsters Union notified the university it would observe student picket lines. This disrupted delivery of food and other supplies.

Gov. Brown ordered the crackdown shortly after midnight after a two-month-long series of demonstrations had rocked the campus.

POLICE ASSEMBLE

More than 500 Berkeley police, Alameda County sheriff's officers and California Highway Patrolmen assembled at the campus and marched with military precision to surround the four-story Sproul Hall.

There Chancellor Edward Strong faced the students in the halls.

"You are trespassing on university property," he said. "I give you five minutes to leave."

When the five minutes were up, Strong snapped "now go! get!"

When only a few students obeyed, police moved in. Demonstrators went limp in classic passive action.

First person to be arrested was a non-student, Robert Treuhaft, Oakland attorney and husband of Jessica Mitford, author of the book about funeral practices, "The American Way of Death." Treuhaft, often identified with civil rights causes, said he had been present only to "send some of the kids home."

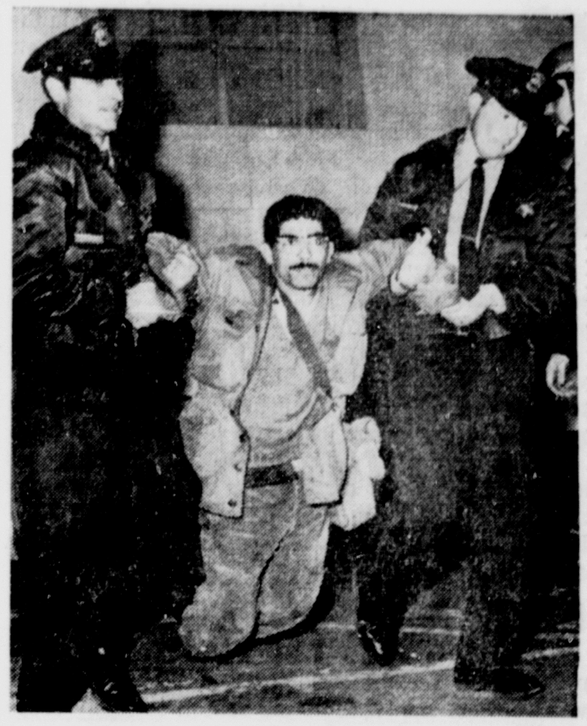

FOLK SINGING

Guitar-playing folk-singer Joan Baez sang the civil rights anthem "We Shall Overcome" as the students swarmed into the building yesterday. But the recording artist left the building last night before the arrests began. So did a number of non-students, and same on probation for previous arrests.

The demonstrations are led by a group called the "Free Speech Movement," consisting of 22 campus organizations. They demanded that the university drop plans to discipline four leaders involved in previous demonstrations, and called for full political rights on campus.

Among the first to be arrested today was Mario Savo, 21-year-old philosophy student who led

CHP OFFICERS FROM MARIN 'DRAFTED' FOR U.C. ARRESTS

Twenty officers from the Marin office of the California Highway Patrol were pressed into duty early today to aid with mass arrests in the University of California sit-in demonstration in Berkeley.

Called were all off-duty officers, including the local commander, Capt. Theodore F. Parnow.

Lt. William Porter reported the first notice of a possible call was received at the Corte Madera office about 4 p.m. yesterday, when officers were warned to be on the alert to move to Berkeley. About 10:30 p.m. the alert was called off, but officers were asked to stay near telephones.

Then, at 1 a.m., when Gov. Edmund G. Brown ordered arrests of the students in Sproul Hall, officers were phoned at home and ordered to report to Berkeley.

Baker Probe Lawyer Terms Senator 'Liar'

WASHINGTON (AP)—The Bobby Baker hearings exploded into a shouting match today with special Rules Committee counsel Lennox P. McLendon calling Sen. John J. Williams (R-Del.), a liar.

"You are absolutely, unalterably untrue in that statement," yelled McLendon, a white-haired 74-year-old attorney.

Williams had said that he had told McLendon he had additional information about government contracts handled by the McCloskey Construction Co. But, he said, McLendon was not interested in pursuing the information unless it involved Baker and other figures in the current hearing.

That's when the explosion came.

"Just a minute," shouted Sen. Carl T. Curtis (R-Neb.). "This is an impertinence such as I have never before seen. This is the first time an employee of the Senate has called a senator a liar."

"He has disqualified himself."

Williams interjected that he did, too, make such a statement on last Friday.

"I deny emphatically any word of it," McLendon said.

"There is not an ounce, not an element of truth in it."

Curtis continued to demand that McLendon remove himself from his post as special counsel.

"I've got a right," said McLendon. "I'm not going to sit here and be publicly misrepresented."

Williams, who furnished much of the information that triggered the Baker probe, declared the Rules Committee might find it "very interesting" if it did look into various government construction projects handled by

Nevada Senate Election Battle Moves To Court

CARSON CITY, Nev. (UPI) — Lt. Gov. Paul Laxalt, refusing to concede defeat by 84 votes to Democrat Sen. Howard Cannon, took his fight to the State Supreme Court today in an attempt to overturn the outcome.

The completed retally in each of the 17 counties gave incumbent Cannon 66,907 votes to Laxalt's 66,823.

Laxalt filed a "statement of contest" with the high court, claiming that many of the ballots counted for his opponent were in error.

Bay Fill Freeze Legal, Lynch Says

Ordinances declaring a three-year moratorium on filling of San Francisco Bay tidelands would be constitutional, State Atty. Gen. Thomas C. Lynch held today.

Lynch, in an opinion prepared by his deputy, Victor D. Sonenberg, at request of Assemblyman W. Byron Rumford of Berkeley, said a moratorium proposal advanced by the Assn. of Bay Area Governments "is within the police power of the local governmental units involved and is constitutional."

ABAG's proposal is for a moratorium declared by uniform ordinance in cities and counties surrounding the bay, with ABAG itself as the appeal agency.

Warren Schmid, executive director of ABAG, informed of the opinion by the Independent-Journal expressed gratification that the association's approach has been held constitutional.

He said ABAG will continue to advocate enactment of local moratorium ordinances while also hoping for a state-imposed moratorium on filling of tide-*lands and submerged lands.*

The attorney general's opinion cited cases in which California courts have upheld similar temporary legislation. These included an emergency zoning ordinance in Los Angeles, and freezing the issuance of building permits in Monterey. The courts sustained as "reasonable" suspension of building activities pending a study of urban planning and redevelopment.

The Legislature this year established the San Francisco Bay Conservation Study Commission, headed by State Sen. J. Eugene McAteer of San Francisco, recognized the efforts of ABAG and urged the study commission to cooperate with that association, the attorney general noted.

"The courts have taken judician notice that time is required to prepare final legislation," the opinion went on. "Studying the effects of bay filling and recommending a course of action is a complex matter. This complexity is brought into sharper focus by the number of local governmental units that have an interest in the result. Therefore, it would be difficult to conclude that it was unreasonable to set the moratorium at three years."

'No Increased GIs To Vietnam'

WASHINGTON (AP) — U. S. Ambassador Maxwell D. Taylor said after a second meeting with President Lyndon B. Johnson today he does not see any requirement for an increase in U. S. manpower in South Vietnam.

He told newsmen after a one-hour White House meeting that his consultation with the president and top policy leaders had concerned "about everything you can think of" in steps to help South Vietnam's war effort against Communist guerrillas.

He said he would return to Saigon.

WIRE NEWS BRIEFS From Everywhere

Two Guilty Of Spying For Soviet

NEWARK, N.J. (UPI) — An American engineer and a Russian national were found guilty late last night of spying for the Soviet Union.

Butenko

The two men — electronics engineer John Butenko, 39, of Orange, N. J., and Igor Ivanov, 34, an employee of the Soviet trade agency Amtorg—face a possible death penalty.

They were convicted of passing top secret plans for the Strategic Air Command's world-wide alert system to Russian agents.

Ivanov

U. S. District Court Judge Anthony T. Augelli, who presided in the case and who will determine their fate, did not immediately set a date for sentencing.

A jury of eight women and four men found Butenko guilty on three counts of espionage, and Ivanov on two counts after about 10 hours of deliberation.

Butenko paled and Ivanov appeared downcast when Michilina De Luca of Newark announced the jury's verdict.

Ivanov was continued on $100,000 bail which was paid previously by the Soviet government. Butenko went back to Hudson County Jail where he has been held without bail since his arrest on Oct. 29, 1963.

The defendants were charged with turning over secrets on SAC's communications system for missiles and bombers to three members of the Russian U.N. delegation. The diplomats were deported to Russia last year.

Rockies To New England–It's Winter

CHICAGO (AP)—Wet weather, with snow, sleet and rain, covered the major part of the nation today, with heaviest snowfalls of the season in many areas from New England to the Rockies.

The season's coldest weather continued in sections of eastern Montana and northern Minnesota, with temperatures as low as 15 below in Hibbing and International Falls, Minn.

The mercury also was near or a little below zero in parts of South Dakota. The chilly air moved slowly eastward and southward.

40,000 Reds Sent Into S. Vietnam

(EDITOR'S NOTE — A White House statement on Tuesday referred to increased North Vietnamese support of Communist fighters in South Vietnam, but gave no figures on the extent of Communist infiltration. — In this exclusive interview, the new South Vietnamese ambassador to Washington lists infiltration figures and gives his views on the military and political situation in his war-plagued homeland.)

By SPENCER DAVIS

TRAN THIEN KHIEM
Recites Laos role

WASHINGTON (AP) — North Vietnam sent 30,000 to 40,000 infiltrators into South Vietnam during the past three years and the flow continues at a stepped-up pace, Ambassador Tran Thien Khiem said today.

The newly arrived South Vietnamese envoy and military expert said in an exclusive interview that the Ho Chi Minh Trail, passing from North Vietnam through Laos, serves as the main road of infiltration.

Khiem is a lieutenant general who has served as commander-in-chief of the South Vietnamese armed forces and as his country's minister of defense.

How to stop the infiltration has been a perpetual worry of the Vietnamese general staff, Khiem said in the interview.

He added: "We have been thinking about this for a long time and we are still thinking. If we are not able to stop the infiltration completely, at least it must be slowed down."

Asked if stopping the infiltration would be decisive in turning the tide of battle in South Vietnam, Khiem replied: "We do think that if we can succeed in stopping the infiltration it will have a very large impact."

The problem of infiltration was touched upon in a White House statement Tuesday which followed a White House meeting between President Lyndon B. Johnson and U. S. Ambassador Maxwell D. Tayor. It said there was "accumulating evidence of continuing and increased North Vietnamese support of the Viet Cong and of North Vietnamese forces in, and passing through, the territory of Laos in violation of the Geneva accords of 1962."

Khiem said that 60 per cent of the infiltrators have been military cadres and 40 per cent are civilians who are trained at organizing Communist cells at the village and provincial levels.

"According to captured documents and word from prisoners of war, the infiltration increased over a three year period of 1961-1963," Khiem said. "According to the figures we got we understand North Vietnam sent between 30,000 and 40,000 people."

Khiem said the Ho Chi Minh Trail begins at Vinh, a seaport in North Vietnam, crosses into Laos at Mui Gia Pass and runs into southeastern Laos to important supply and concentration points at Tchepone, Muong and Nung and Attopu.

"Recently Gen. Phoumi Nosavan, rightist deputy prime minister of Laos and minister of defense, said North Vietnam has some five divisions — 20,000 men — in the territory of Laos and two-thirds of these forces are being used to protect the Ho Chi Minh Trail.

"On the supply roads, according to the information we have, North Vietnam is using Soviet-built Molotovar trucks."

Khiem said that in the military field in South Vietnam, "We are quite sure that the Communists are not able to win the war."

But he said the political situation still is confused because full agreement has not been reached among all political leaders on a unified point of view as to the best way of fighting the Communist Viet Cong.

"It is sure that the Communists will take advantage of this confusion to make the situation more difficult," he said.

Pope Clasps Hands With India's Holy Men While Throngs Cheer

POPE PAUL VI
Indian style greeting

BOMBAY, India (UPI) — Pope Paul VI clasped hands with spiritual leaders of India's non-Christians today in a plea for inter-faith cooperation "to build the common future of the human race."

The dramatic display of the ecumenical spirit took place in the headquarters of the International Eucharistic Congress on the second day of the Pope's unprecedented visit to India.

In a later ceremony, 250,000 persons, most of them Bombay Hindus, cheered as the pontiff took part in consecrating six bishops from the five continents in Bombay's "Oval," a central park where a hugh altar had been built for the sessions of the Eucharistic Congress which the Roman Catholic leader came here to attend.

In his plea for inter-faith cooperation, the Pope told a colorful audience of Hindus, Moslems, and Parsees:

"We must come closer together with our hearts in mutual understanding, esteem, and love.

"In this mutual understanding and friendship, in this sacred communion, we must also begin to work together to build the common future of the human race."

The statement and the symbolic touching of hands occurred on the second day of the Pope's triumphal visit to this teeming city on the shores of the Arabian Sea.

It was a spectacular manifestation of the spirit of the Emumenical Council for closer contacts between Roman Catholics and non-Christians.

The Pope stressed the same theme again today in a separate audience for non-Catholic Christians.

"My dear friends in Christ," he said, "We rejoice in the fact that our pilgrimage to Bombay has made it possible to greet the representatives of so many Christian churches and communities of India.

"The divisions which exist among Christians are a cause of pain to all who serve the Lord faithfully."

Post-War Baby Boom Hits U.S. Colleges

WASHINGTON (UPI)—The U.S. Office of Education says that the children of the Post-World War II baby boom are beginning to boost college and university enrollments across the nation.

Figures made public yesterday showed that new enrollments jumped 17 per cent this fall, the largest increase in the past 12 years. The number of students enrolled also soared to 5,320,400, topping the five-million mark for the first time.

Peron Returned To Spain; Kept Under House Arrest

SEVILLE, Spain (UPI)—Former Argentine dictator Juan D. Peron, one of the world's least wanted men, returned to Spain in failure today 36 hours after he flew to South America in an unsuccessful comeback attempt. He was promptly ordered confined to the City of Seville.

Official sources said the Spanish government ordered the 69-year-old ex-president to stay in Seville until it reached a decision on his future.

To make sure he stayed, a heavy police guard took up posts inside and outside the luxury Andalusia Palace Hotel, where the former strongman and his party were staying.

Peron looked tired and pale when the plane flying him back from Rio De Janeiro landed unexpectedly at Seville. He was whisked to the hotel, where rooms had been reserved for him.

Shepherd Dogs Plea Funneled To Texas

Hamilton Air Force Base, which last week issued a plea for German shepherd dogs for sentry dog service for the air force, had no system to follow through on responses.

At least 15 or 20 Marin County residents found that out when they telephoned the base to offer their dogs. They were told that they must write to the animal procurement section, Lackland Air Force Base, San Antonio, Tex.

Officers at Hamilton did not take down the names of the people offering dogs, nor do they have any receiving depot to handle such dogs. Hamilton itself has a detachment of sentry dogs.

The Air Force, which is in charge of training the sentry dogs for all branches of the service, issued a plea through Hamilton for 500 German shepherd dogs, not necessarily pedigreed.

Marin County dog owners responded beyond the expectations, according to Hamilton officials.

Birth Control Clinics Approved

MADERA (UPI) — The Madera County Board of Supervisors authorized the establishment Tuesday of birth control clinics.

The new clinics will start operations in January under state and federal financing of $3,500, according to the county health director, Dr. Joseph Nagle.

The supervisors also waived the welfare eligibility requirement for county hospital visits, since the clinics will be operated through the hospital.

This means a person does not have to qualify for free treatment under the welfare program to get clinical services, which include medical examinations for women.

10,775 Voter Notices Sent

Marin County Clerk George H. Gnoss said today 10,775 notices of cancellation of voting registration have been mailed to county residents.

This procedure is required for registered voters who did not vote in the November general election. To vote again, those affected must re-register, unless they still reside at their registered residence and notify the clerk's office of that fact — either in person, in writing, or by a postcard attached to the notices—within 30 days of the mailing date on the notice.

Gnoss said about 15,000 notices were mailed out following the 1960 general election.

MARIN STUDY

Tomales Bay Called A Key In Recreation

By FRANK FARRARA
(Second of three articles)

Development of Tomales Bay into a recreation paradise is one of the keys to full recreational development of Marin's coastline, which rapidly is being closed off to the public.

"Only a limited number of desirable waterfront properties are left for potential enjoyment," said senior planner Walter Horchler, who prepared a general plan for parks, recreation and open space to be considered by the county planning commission.

"Practically all of the very charming beaches, coves and promontories have already become part of the inevitable urban scene or are in the hands of developers whose plans visualize everything in modern living amenities for a good price to a select clientele," Horchler continued.

He described Tomales Bay as "an inland sea with a recreation potential which has hardly been tapped."

Among the facilities he proposed for Tomales Bay are a public launching ramp at Millerton Point, additional improvement to Miller Park including expansion of picnic sites, development of Hog Island as a marine camp and picnic area, open area from Keys Creek to Dillon Beach, and development on the peninsula north of Millerton Point for day use recreation.

Horchler also proposed that the upper Tomales Bay tidelands be preserved as a wildlife refuge. "A lagoon development with islands such as has been suggested in the West Marin plan would utterly destroy the conservation values of this area," he said.

In his waterfront proposals, Horchler said there is "an enormous shortage in boating installations." He suggested the following locations for marinas:

Corte Madera-Greenbrae — A full-fledged marina with about 125 berthing facilities in the triangular marshland parcel fronted by Corte Madera Creek and the slough which reaches Sir Francis Drake Boulevard on the east side of so-called Wood Island.

Gallinas Creek — A marine installation that would serve Terra Linda - Marinwood boat owners as well as those in Santa Venetia.

Novato-Petaluma River — A marina in the marshy parcels south of the Black Point bridge, which would include the present launching and parking facilities.

The marina at Black Point, along with the ones planned by private firms along San Antonio Creek and the Petaluma Municipal Harbor, would barely be able to accommodate the expected need in the area, Horchler said.

Other waterfront proposals in Horchler's plan include full development of Paradise Beach Park, creating "the first useful waterfront park facing the bay."

Concerning China Camp off San Pedro Point, he said, "Public use is already seemingly forfeited by resort plans of present owners." This will remove a potentially good beach near the heavily populated area of the county, he said.

Horchler proposed development of the Estero Americano area for day use, camp area and a boat ramp, and expansion of Agate Beach at Bolinas into the northern ravines where access would by-pass the residential section of Bolinas Mesa.

Commenting on state facilities, he noted that the recreation potential of Angel Island has been slow to develop, but predicted more extensive use will be made of the island.

The Marin Headlands State Park, consisting of land from Forts Baker, Barry, and Cronkhite will contain a large portion of open space because of the abrupt topography.

Horchler noted that a harbor of refuge has been proposed for Bolinas. He said disposal of refuse into Bolinas Lagoon is a threat to the preservation of the lagoon.

The proposed Manzanita Marina Green as part of the Richardson Bay development could contain a boat launching site as well as serve as open area for public access to the bay, he said.

Horchler also proposed that the smaller of the Marin islands in San Rafael Bay be protected as a bird refuge and that a viewpoint be established on the promontory which faces the islands, from which the birds could be viewed.

"The intervening tidelands would have to be protected also to safeguard the feeding areas of these birds," he said.

If the tidelands were filled with a lagoon development, as proposed in the San Rafael general plan, the ideal habitat for egrets would vanish, Horchler asserted.

MARIN FIRE CALLS

YESTERDAY:

4:20 p.m., Larkspur — False alarm at 463 Holcomb Avenue.

5:09 p.m., Highway 101 north of San Rafael — Car fire reported at Highway 101 and Willow Avenue; Marin County Fire Department responded; burned floor mats from car found at side of road.

5:30 p.m., Larkspur — Pads covering coffee table in truck carrying furniture, owned and driven by Mike Telegin of San Francisco, north on Highway 101, caught fire as truck neared 2200 block of Redwood Highway; probably caused by cigarette; minor damage to pads.

TODAY:

2:45 a.m., Marin City turnoff—Fire in front seat of parked 1951-model car registered to Louis Schwab of Healdsburg caused $25 damage; Marin County Fire Department responded; cause of fire undetermined.

5:30 a.m., San Rafael—Smoke check at 610 Third Street; no fire.

DISTRICT

Continued from page 1

troversial Synanon House at Marshall to remain in that district, the northern portion of that district along with other lands on the east side of Tomales Bay going into Supervisor William A. Gnoss' Fifth District.

Prior to the change, the longest dimension of the Fourth District was north and south. Now the longest dimension is east and west, with the district running from the tip of Point Reyes to San Quentin Point, 25 air miles.

The district now extends from ocean to bay, through Larkspur and Corte Madera in a corridor to fishhook around San Quentin Point and flop into downtown San Rafael and San Rafael's southeast residential area.

Twenty-one precincts formerly in the Second (Ross Valley) District are transferred to the Fourth District by the plan. None of these districts is split.

In this district, Ernest N. Kettenhofen beat incumbent Fusselman by a vote of 12,347 to 8,271. In the 21 precincts the tally was 2,807 for Kettenhofen and 1,759 for Fusselman.

Fusselman carried only six of the 113 precincts in the district. Just one of these Fusselman strongholds is being taken out of the Second District by the change.

In the Fourth District, where Thomas T. Storer beat incumbent George H. Ludy by a vote of 1,536 to 1,347, there are 11 precincts shifted to the Fifth District. Ludy won in three of these, Storer won in seven, and one was tied.

The vote total in the 11 precincts was 725 for Ludy and 877 for Storer.

Storer, who will not take office until Jan. 1, opposed the plan vigorously Tuesday.

He told the Independent-Journal today that he would like to change the plan but saw little hope of doing this until he gets a majority of the board with him.

Kettenhofen, who also will take office Jan. 1, did not protest the plan.

PANEL

Continued from page 1

want to remain suburban," argued Kettenhofen.

Mayor Brixon contended that Kettenhofen will be getting "Marin General Hospital and the wealthier sections of Larkspur" and leaving the rest of Larkspur to Storer. Brixon charged that the county has been cut up on the basis of ability to get votes.

Kettenhofen and Leydecker replied that dividing Larkspur along Corte Madera Creek is logical, dividing "new" Larkspur from the old.

Leydecker and Kettenhofen denied the redistricting was based on political considerations. "Some areas that I did not carry (in the November election) I retained," said Leydecker. "I came out short votewise."

Kettenhofen added that he too loses some areas in which he polled the most votes and retains other areas in which his vote margin was the least.

Brixon and Storer said that more time is needed to work out supervisorial boundaries, and that it was not necessary to bring the population of District 4 from the 4 per cent to 19 per cent, all in one leap. They contended the court would have agreed to a 9 or 10 per cent population for District 4.

Monkey Business Is Ended

A foot-tall pet monkey at sundown yesterday ended her tree-climbing escapade and meekly surrendered after an afternoon's excitement during which about 35 people witnessed unsuccessful rescue efforts.

Mrs. Robert R. Counter, 149 North San Pedro Road, Santa Venetia, said the pet of her five children apparently escaped via an open kitchen door about noon yesterday and climbed the "tallest" tree she could find, an elm tree in the front yard of Mrs. Gene Kelly, 155 North San Pedro Road.

The Marin County Fire Department was called; the Marin County Humane Society was called; the Marin County sheriff's office was called. None could persuade the monkey, named "Marny," to come down.

At dusk, after the large crowd disappeared, the animal came down voluntarily, Mrs. Counter said, and was safely at home today.

Hawaii 'Quake

HONOLULU (AP) — An earthquake centered on Hawaii Island shook parts of the main island of Oahu today, including sections of famous Waikiki Beach and downtown Honolulu. No damage was reported.

Dr. Corbett Accused Of Operation

I-J Special Report

SAN FRANCISCO—A 27-year-old San Jose woman testified yesterday that Dr. Robert K. Corbett, 29, got her pregnant and later performed an abortion on Nov. 20, 1963, while she was in Veterans Administration Hospital at Fort Miley.

The testimony came at the beginning of the abortion trial in U.S. District Court before Judge Albert C. Wollenberg. An abortion case is a rarity in a federal court, but is being tried as a federal case because the alleged crime occurred on government property.

Corbett is the brother of Donald K. Corbett Jr. who was murdered in his Sausalito apartment March 24.

Taking the stand yesterday as the prosecution's first witness was Luce Estrada who said she first met Dr. Corbett at San Francisco County Hospital where she was being treated for varicose veins resulting from the birth of her second illegitimate child.

She said Dr. Corbett began calling on her at home when she was unable to return to the hospital for checkups.

If convicted, Dr. Corbett face a maximum sentence of five years in prison.

BAKER

the McCloskey company.

The angry squabble took place while William K. Stewart, financial vice president of McCloskey Co., was testifying about procedures in figuring insurance premium rates.

Don B. Reynolds, a Silver Springs, Md., insurance man, testified Tuesday that a $35,000 overpayment by the McCloskey firm of an insurance performance bond was really a political payoff to the Kennedy-Johnson campaign fund. Reynolds said he was the "bag man" for Baker and contractor Matthew H. McCloskey in the deal.

McCloskey, 71, former ambassador to Ireland, took the witness chair Wednesday and said Reynolds had lied.

"He hasn't told you the truth once," he said.

Baker, the man who Senator Williams said "could talk" and square the conflict in Reynolds and McCloskey's testimony, refused to answer questions about his role in the alleged kickback.

Reynolds said he gave Baker $25,000, kept $10,000 for himself, and that Baker was to funnel the money into the campaign fund.

Auto Is Hit By Bullet Or Rock

Mrs. Jack Creamer, 50 La Cuesta Drive, Greenbrae, reported someone hit her car with a bullet or rock about 3 p. m. yesterday as she was driving on Lucky Drive near the underpass under Highway 101, in Corte Madera.

Two Highway potrol officers were dispatched to the scene, but could find no one who might have been responsible, according to Sgt. William Roberts of the patrol.

Roberts said he could not be sure what kind of missile was involved because it did not enter the car, but shattered the right wing window.

OBITUARIES

County's Oldest Resident, William Risto, Dies At 104

WILLIAM RISTO
A long life

Continued from page 1

Point Reyes Station home in 1940.

He remained a bachelor throughout his long life and jokingly said this was one reason for his longevity. He also made a point of avoiding any type of medication.

He drank rain water collected in a barrel on his roof.

He took pains to keep his home tidy, pulling weeds in the small lot and applying coats of aluminum paint to the building inside and out. In recent years Risto admitted that he had slowed down a bit.

Leroy Cheda, 20, son of Mr. and Mrs. Ralph Cheda of Point Reyes Station, had been looking after some of Risto's needs for the past two years.

"He knew he was getting weaker and his time had come," Cheda said today.

Cheda made his regular visit to the home with groceries at 9 a.m. yesterday. He found Risto's body lying fully clothed on his bed.

Risto, in one of his many birthday interviews with Independent-Journal reporters, said he lived on a Social Security check of $104 a month.

He reported he had set aside enough money to cover his funeral and made sure there would be money for his newspaper boy in case he died before settling his account.

He said the Independent-Journal kept him from being lonely. He was still able to read, but he had trouble hearing.

When he passed his 100th year, he would receive congratulatory birthday messages from officials. On his 102nd birthday he received a letter from John F. Kennedy.

"God bless the President of the United States," Risto said when he told about the letter. "He wishes me good health." But then Risto added with a twinkle, "What does the president know about Risto?"

The Marin County coroner's office reported that Risto probably died Tuesday evening. He was last seen alive by Cheda Monday morning.

Funeral arrangements are pending at Chapel of the Hills in San Anselmo.

HATTIE NEVIUS

Mrs. Hattie W. Nevius, 70, of 144 Prince Royal Drive, Corte Madera, died, apparently of a heart attack, at the Valhalla Inn in Sausalito early today.

The inn owner, Mrs. Marsha Owen (Sally Sanford) called a doctor when Mrs. Nevius became ill and went outside for air, but he was too late to help.

Mrs. Nevius owned the Zoo Coffee Shop at 2899 Sloat Avenue, San Francisco, until her retirement a few years ago. She moved to Marin County three months ago.

Surviving are a daughter, Mrs. Leo A. Doyle of Corte Madera, a son, Vernon Jewett of Glendale, and three grandchildren.

Funeral arrangements are pending at Russell and Gooch Mortuary, Mill Valley.

FAY BEACH

Private funeral was held today for Mrs. Fay Pierce Beach, who died yesterday at her home in Sausalito. She was 81.

Mrs. Beach was found by a neighbor sitting on the steps of her home at 202 South Street, Apt. C12, complaining she felt ill. She died shortly afterward. Coroner Frank J. Keaton said today that death was due to apparent natural causes.

Mrs. Beach was born at Elizabeth, Colo., and had lived many years in Bend, Ore., where she last worked as secretary of Deschutes County Tuberculosis Assn. She lived one year in Marin County with her daughter, Miss Gene Beach.

Inurnment was private.

CARL GABRIELSON

Funeral for Sausalito City Councilman Carl W. Gabrielson will be held at 2 p.m. tomorrow at Harry M. Williams Mortuary, San Rafael. Entombment will be in Mount Tamalpais Cemetery, San Rafael.

Gabrielson died at his home Tuesday night after suffering a heart attack.

He was an executive of the Robert Dollar Co. and president of the Exchange Garage Inc. in San Francisco. He was appointed to the Sausalito City Council in April, 1963, and elected last April to a four-year term.

Gabrielson was born 60 years ago in a log cabin five miles from the town of Orofino, Idaho. He was taken prisoner by the Japanese in the Philippines shortly after the outbreak of war in December, 1941, and was freed from Los Banos prison camp by American soldiers 15 minutes before he was scheduled to be executed.

He was a life member of Hiogo and Osaka Lodge 458, Ancient Free and Accepted Masons, of Kobe Japan, and of Tokyo Consistory, Tokyo Bodies of Scottish Rite. He was also a member of Dragon Oasis of Hong Kong, Islam Temple of the Shrine, Sausalito Rotary Club, Propeller Club of San Francisco, and San Francisco Commercial Club. He was vice president of the American Committee for KEEP.

He leaves his wife, Mae C., and two sisters, Mrs. George R. Anderson of Los Angeles and Mrs. Dorothy J. Carter of Richland, Wash.

The family prefers that tributes be contributions to Shriners Hospital for Crippled Children in San Francisco or to the Heart Fund.

WALLACE WOOD

Wallace Clyde Wood of Occidental, Sonoma County, brother of Roy W. Wood of Tiburon, died Tuesday in Santa Rosa after a long illness.

A native of Turlock, he had lived in Occidental five years. He was retired as manager of a pre-mixed concrete plant.

Survivors are his mother, Mrs. Clyde W. Wood of Pasadena, a daughter, Patricia Wood of Los Angeles, and three brothers, Frank E. Wood and Stanley B. Wood, both of Burbank, and the brother in Tiburon.

HARRY NANNIZZI

Requiem Mass for Harry Nannizzi, 81, of 40 Caletta Avenue, San Anselmo, who died Tuesday in a local hospital after a short illness, was held today in San Francisco.

A native of Italy, he had lived in Marin County for 20 years. Surviving are his wife, Mary; three sons, Alfred of San Anselmo, Guido and Bruno Nannizzi; eight grandchildren and one great-granddaughter.

MRS. WORCESTER

Funeral for Mrs. Josephine Marie Worcester of Berkeley, a sister of Mrs. John Siemens Jr. of Mill Valley, will be held tomorrow at 10 a.m. at Russell and Gooch Mortuary, Mill Valley.

Burial will be in Mount Tamalpais Cemetery, San Rafael.

Mrs. Worcester, 67, who had lived in Berkeley about 35 years, died Tuesday in a Berkeley hospital after a short illness. She was a native of Klamath Falls, Ore., and the wife of Hugh M. Worcester, a retired U.S. game management officer.

Besides her husband and sister, she is survived by a brother, Judd Low of Roseburg, Ore.

JAMES MALONE

James Malone, 71, of 41 Holly Avenue, Larkspur, died on the way to the hospital early today following a heart attack.

Malone was dead on arrival at Marin General Hospital after Larkspur firemen rushed him there on a resuscitator call from his home.

Malone, a retired carpenter, had lived in Marin County for 20 years. He worked for H. A. Mueller Construction Co. of San Anselmo for 15 years. He was born in Tennessee.

Surviving are his wife, Phrona, three sons William G. of San Rafael, Clarence E. of El Cerrito, and James L. of Tulare, and a daughter, Mrs. Margaret Watkins of Sullivan, Ill.

Funeral arrangements are pending at Harry M. Williams Mortuary in San Rafael.

MOUNT TAMALPAIS CEMETERY Marin's Peaceful Place of final rest

Mount Tamalpais Cemetery is a true haven of beauty, a lovely site of green lawns and rolling hills guarded by handsome trees.
The beauty of this setting is guarded, too, by an ever-growing endowment fund which guarantees the care of this property in the years ahead.
Perhaps—like many Marin families—you will want to consider the advantages of making final arrangements at Mount Tamalpais now. This thoughtfulness can spare loved ones difficult decisions in time of sorrow. We invite your visit, or suggest that you write for our brochure which explains our facilities.

BEST PLACE TO LOCK IN YOUR KEYS IS OUTSIDE PRISON WALLS

CANON CITY, Colo. (UPI)—Star Caywood, a state legislator from Walsenburg, locked his keys in his automobile while on a visit to the state prison with other legislators yesterday.

But expert help was close at hand. Warden Harry Tinsley sent for a prisoner with considerable experience in dealing with locks.

Caywood had his keys in less than 15 minutes.

Larkspur Tosses TV Cable Issue Into Lap Of Advisory Committee

Confronted with two applications for television cable service franchises, Larkspur city councilmen last night tossed the issue of "which one" into the lap of an advisory committee.

Citizen Daniel Allen agreed to serve as chairman of the antenna system study body. Mayor Neil R. Brixen said he will make two more appointments this week — one to be a San Rafael television service firm owner.

The committee will be asked to give its report within three weeks, after evaluating data proffered by the competing applicants, Tele-Vue Systems of Marin, Inc. and Clear View Cable Systems, Inc.

Allen, present at last night's meeting, said he hoped for close cooperation from Corte Madera's similar cable study committee, which includes Larkspur television store operator Oakley W. Dexter Jr. Dexter, also in the audience, said his committee will report to Corte Madera Town Council next week.

The council heard a presentation by Lindsey H. Spight, president of Tele-Vue Systems, who reported his firm "ready to go tomorrow" if franchised by the city. His firm has purchased, obtained rezoning for, and called construction bids for a "head and" antenna site on Corte Madera Ridge, intended to serve Larkspur, Corte Madera and Mill Valley, he said.

Necessary agreements for use of utility poles have been obtained from Pacific Gas and Electric Co. and Pacific Telephone and Telegraph Co., Spight said.

Questioned closely by Councilmen Robert Smith and Earl J. O'Grady, Spight recited his organization's experience, including installation of five miles of cable to date in Marinwood.

Smith argued that both cable firms are "relatively new," and urged careful investigation of their capability to provide satisfactory service to Larkspur residents.

Richard Webster, general manager of Clear View, said his firm has two "head end" sites for southern Marin, and is treating each city separately.

The Larkspur City Council Also:

1. Adopted a resolution supporting the Assn. of Bay Area Governments' stand against rushing construction of the "San Luis Drain" without adequate federal and state studies of possible pollution of San Francisco Bay waters.

2. Discussed Councilman Vaughn M. Marker's contention that a deed of access rights Trend Development Co. to the city should be worded to permanently limit individual properties' access from Bon Air Subdivision Unit 6 to Bayview Road, but agreed with City Atty. Robert W. Elliott that access permits should be left to the discretion of future city councils. Marker was absent.

3. Reappointed City Mgr. Ronald E. Piper as Larkspur representative to the county's urban thoroughfare committe, and approved his proposal that the city should seek $15,000 matching funds for purchase of the abandoned Northwestern Pacific Railroad right of way to extend Magnolia Avenue.

4. Put Larkspur-Corte Madera Joint Recreation Commission on a calendar year basis by approving its budget for $11,600 for the period July 1 to Dec. 31, 1965.

5. Postponed action on proposed plans for the Madrone Avenue loop because City Engineer B. J. Whitlow was absent due to illness.

6. Postponed application of James Tolley, 18 Via Barranca, for permit to build a stairway on city property between upper and lower halves of Via Barranca, as a short-cut. Tolley was unable to attend the meeting.

7. Approved continued interim operation of the city dump at the marshland site of the future park - yacht harbor complex, pending Piper's presentation of a master plan for the area.

8. Voted final adoption for garbage rate increases approved at the last meeting, and adopted a set of street standards.

9. Reappointed Hil Probert as Larkspur representative on the Marin County Mosquito Abatement District board.

Insurance Brokers Innocent Of Extortion Try, Jury Rules

I-J Special Report

SAN FRANCISCO — After seven hours of deliberation, a federal court jury ruled yesterday that two Chicago insurance brokers were innocent of extortion threats against former Belvedere resident Stewart B. Hopps.

The verdict, after 13 days of trial, aquitted Paul Dorfam, 63, and his step-son, Allen Dorfam, 41. They handle insurance funds for Jimmy Hoffa's Teamsters Union.

The prosecution charged that the Dorfams threatened Hopps and his family in an attempt to force return of $100,000 that vanished after the Dorfams invested it in one of Hopps's insurance firms.

The prosecution's case centered mostly on Hopps's testimony. The defense charged that Hopps was hoping for leniency from the government by testifing to the threats.

Hopps faces an 18-month jail sentence for conviction of mail fraud in Baltimore, Md. He is also facing prosecution in New York on a charge of income tax evasion.

The jury of five women and seven men brought in the verdict last night to U. S. District Judge William T. Sweigert.

Marin Bonsai Club Officers Named

Mrs. Jane Stewart of Novato will take office as president of the Marin Bonsai Club at the club's first meeting of the new year, Jan. 26.

Other club officers, elected at a recent meeting, are Mrs. Esther C. McDonald of Fairfax, vice president; Mrs. Robert I. Krohn of San Rafael, second vice president; Mrs. William D. Krelle of San Anselmo, recording secretary; Mrs. Lawrence Biagini of Fairfax, secretary, and Kenneth Stewart of Novato, treasurer.

Drunken Driver Is Fined $276

Lee Philip Englehardt, 48, of 10 Post Street, Larkspur, was fined $276 and sentenced to 60 days in Marin County Jail yesterday in Marin Municipal Court for drunken driving.

Judge Joseph G. Wilson found him guilty in a Sept. 12 arrest on Millard Road in Larkspur by Larkspur police.

Two TV Officials To Talk In Marin

Two officials of San Francisco television station KRON will speak to the Marin Motion Picture and TV Council when it meets at 9:45 a.m. Tuesday at the First Methodist Church of San Rafael.

Speakers will be the station's public affairs director, Thomas F. Mullahey of Corte Madera, and women's community affairs director, Mrs. Ruth F. Dixon. Their topics will include programming, ratings and how views can influence program quality.

Business Signs Issue Is Probed

San Rafael's city council and planning commission met over the asparagus salad yesterday and reached an apparent meeting of the minds on the confused issue of downtown business signs.

They informally agreed that the city probably will take signs off the list of things which call for the commission's "architectural control."

But they also agreed this should not happen until the city can put together a more explicit, well-thought-out sign ordinance.

The discussion on signs took up most of the time at the informal luncheon meeting, attended by four councilmen and six planning commissioners.

Councilman Fred E. Jensen and Planning Commissioner Carl S. Brown did not attend.

Confusion over the city's policy on signs has played a role in several recent discussions before both bodies. A principal in most of them has been sign maker Robert Bohanna of San Rafael, who has contended that if a sign met the physical limits of the present ordinance, the city could not turn it down.

Some commissioners have taken another view, saying such factors as esthetic considerations should enter in. They recently requested the council for guidance.

It was not long coming yesterday. While there was no agenda, the topic was one of the first raised when Mayor John F. McInnis handed the floor to Councilman Charles W. Aby.

Dr. Aby said he did not feel the planning commission should be the "esthetic watchdog" for the city.

Several commissioners agreed, and urged that the ordinance be clarified to make approval of the signs automatic if they meet health, building and safety code requirements.

Commission Chairman Fred C. Robbins, however, contended his group should be given the right to exercise control over proposals which they felt were extremely poor from an esthetic standpoint.

Aby replied that "we still don't have the right to tell them they cannot put it up, any more than we can tell a man he can't dress the way he wants to, even if he runs around in pink and green clothing which everyone agrees is in poor taste."

Mayor McInnis agreed with the consensus that the word "sign" should be added to those things specifically exempted from architectural control. But he contended that the commissioners should be permitted to provide a certain amount of guidance as to how proposed signs could be improved.

"I think most people are trying to do the right thing," he said, and probably would appreciate the help.

McInnis also urged that the new ordinance be worded to restrict flashing or "animated" signs, which he said often distract motorists and create a potential hazard.

Consensus was that there will be no immediate change in the ordinance, and the aid of sign makers will be sought in drafting a new one for the future.

Meanwhile, planning commissioners will limit themselves to worrying about whether signs meet building, health and safety needs, and will "lay off the esthetics" in their rulings.

Present with the two groups were City Mgr. Dan E. Andersen, City Atty. David Menary Jr., City Planner George H. Rodgers and an Independent-Journal reporter.

Mechanics Cited In Faulty Smog Device Installations

A San Rafael mechanic, licensed to install crankcase smog control devices, nearly wrecked a car engine by installing only half the device, an official of the State Motor Vehicle Pollution Control board declared yesterday.

Ken McNeill of Oakland, field representative for the car pollution board, traced the trouble back to a well known garage in San Rafael where the smog control device had been installed on a 1958 car.

Michael Drum of Oakland said the crankcase device was on his car when he bought it on Nov. 20.

"As soon as I got it, I noticed the battery was low, and smoke was coming out of the engine," said Drum. He took it to an Oakland service station, where attendants found the trouble.

McNeill, troubleshooter for the Motor Vehicle Pollution Control board in the Bay Area, happened to be at that service station. From the sticker on the windshield, he discovered the device had beeen installed in San Rafael.

John E. Carroll, California Highway Patrol inspection specialist for the Motor Vehicle Pollution Control Device Unit, questioned the San Rafael mechanic.

"He was licensed," said Carroll. "He had passed the CHP examination required before a license is issued. But somehow, he had neglected to install the entire device."

If Drum's car had continued to run with half the device, the motor would have been damaged, said McNeill.

McNeill cited this case as typical of 200 complaints he has checked in the last three months in the Bay Area. "In almost every case, I'd say 195 of the cases, mis-installation was the cause of the trouble," he declared.

In the San Rafael case, the top half of the device, costing $2.55 had been installed. But the remainder of the kit ($7.80 worth) was missing. "Because the bottom half was missing, it sealed the engine off so that it couldn't breathe. It's a good thing we found it in time," said McNeill.

He said one of the big jobs is to convince mechanics they should follow printed instructions on the smog devices.

The highway patrol and the motor vehicle pollution officials have held clinics for mechanics and the public on how to install the devices.

McNeill said he does not know why, but Southern California does not have the trouble the Bay Area has. But he said this case was one of very few reported in Marin.

He urged motorists who have smog device trouble to notify him at 5300 Claremont Avenue, Oakland.

Five More Found Dead In Congo

LEOPOLDVILLE, The Congo (AP) — A mercenary-led government column penetrated further into the northeast Congo today in pursuit of rebels believed holding 500 whites as hostages. They found five more dead Europeans.

The rebels reportedly fled to Watsa, near the Sudanese border, as a government force of 30 mercenaries and 200 Congolese soldiers neared Bunia, 350 miles east of Stanleyville.

Bunia had a white population of 250, most of them Greeks, but the Congolese army found only two Roman Catholic priests there.

Reports of the Congolese advance through rebel territory were fragmentary. Latest word said the government column was headed toward Paulis, southwest of Watsa.

At Mambasa, the mercenaries said that two Belgians, a Frenchman, a German and an unidentified missionary were found slaughtered.

Louis Jacques Daguerre was called a madman, charlatan, blasphemer. But his long struggle to capture the images of nature on film produced the first practical camera in 1839.

Clerks Union Suffers From Unemployment

For the first time in many years, Retail Clerks Union Local 1119 of Marin County is having some unemployment.

Union President Albert De Mello reported the unusual condition at a meeting of the Marin Labor Council last night. The local would give no figures on the extent of the unemployment today.

Council Secretary Hugh Cassidy said the situation might be due partly to the growth of membership in the local in recent years. Other construction trades are also experiencing some unemployment, but this is norrmal for the season, due to work being closed down by rain, Cassidy said.

Members of the council also learned last night that members of Carpenters Local 1710 have voted to merge with Carpenters Local 35. Local 1710 was formed in Mill Valley but has drawn membership from throughout the county, just as Local 35 has, Cassidy explained.

Suffers Seizure

Frank Bronomobo, 18, of 51 San Gabriel Drive, Fairfax, suffered a seizure at 11:26 p.m. yesterday at 294 The Alameda, San Anselmo. San Anselmo firemen applied an inhalator to assist him in breathing until he recovered, firemen reported.

Novato Youth Hurt As His Auto Rolls

Roger A. Larsen, 17, of 45 Washington Street, Novato, was injured slightly, but refused medical aid, when his car rolled off Donahoe Street, about 500 feet north of Park Circle, in Marin City, about 9:50 p.m. yesterday.

Larsen told the California Highway Patrol he was watching signs on the freeway below him when he noticed his car was about to run off the road. He hit the brakes, skidded, hit the curb and rolled. Officers said Larsen had bruises on his forehead, left leg and left elbow.

New Freeway Safety Signs

SACRAMENTO (CNS) The State Division of Highways will get serious with its battle against wrong-way freeway drivers by installing two new signs on freeways all over the state.

Red-background signs bearing the message "Wrong Way" will be placed on each side of all off ramps, near exit points. The letters will be white on the red, with both letters highly reflective. The signs will not be visible to drivers traveling in the proper direction.

On-ramps will be identified with signs reading "Freeway Entrance." This message will be in white but on the standard green background of normal highway directional signs.

First Installment Of Tax On Property Due Dec. 10

The deadline for paying the first installment of property taxes is next Thursday, County Treasurer - Tax Collector Stanley J. Fontez reminded Marin taxpayers today.

Failure to pay by the deadline will result in a six per cent penalty.

The tax collector's office at the Civic Center will be open until 9 p.m. next Tuesday, Wednesday and Thursday, Fontez announced. The office will accept payments postmarked Dec. 10 without penalty, he said.

If a property owner did not receive a tax bill, it does not excuse him from paying on time, Fontez cautioned. Anyone who has any question about not receiving a bill should notify his office before the deadline, he said.

Hub Parking Area Landscape Plans Due Display

Detailed landscaping plans for the Hub parking area in San Anselmo will be displayed in the city library by the San Anselmo Homes Assn. starting tomorrow.

The association feels that study of the plan by its opponents will end opposition.

Association president Thomas W. Stoddard said: "The plans include much needed beautification of the Hub and include approximately 100 parking spaces. The master plan has aroused opposition from some members of the chamber of commerce who say there is too much planting and not enough parking. We believe the opposition stems from ignorance as to what the plan looks like."

The ladscaping master plan, drawn up by landscape architect William Kapranos, was recently passed by the city council.

'Foul Outs' Elected College Yell Leaders

The "Foul Outs," led by Steven Tenney of Larkspur, captured 232 votes to win election a the College of Marin yell leader team for the spring semester, defeating "Hal's Angels," who got 212 votes in a run-off election Tuesday.

The two teams last week in the primary election eliminated two other groups, "Take Five" and the "Red Mountain Boys." Also in the election last week, the "Playmates" defeated the "Baskettes" for song leaders.

San Rafael Mall Idea Is Revived

San Rafael Mayor John F. McInnis yesterday revived hopes that the city will someday have a downtown mall.

At a joint luncheon meeting of the city council and planning commission, McInnis suggested both groups, along with key members of the chamber of commerce, should fly to Fresno early next year to look over that city's much-publicized mall project.

Logical time to start planning a similar project here, he said, would be as soon as the first stage of the state's freeway through the city is completed. The council already has talked of putting in a one-way street system when the initial phase of freeway construction is finished.

Cyprus Tax Urged

Police Rounding Up Students, U.C. Rebels

Continued from page 1

the students into Sproul Hall yesterday. The bushy-haired philosophy student shouted commands to demonstrators lining the halls.

Before the arrests began, he said "We are going to put our bodies in the gears of the machine and until we are free it won't work."

Another rebel leader, Art Goldberg, welcomed the arrests.

"Good," he said. "The kids have learned more about democracy here than they could in 40 years of classes. This is a perfect example of how the State of California plays the game."

Buses taking students to the jail farm at Santa Rita and the Oakland jail were followed by students of the free speech movement who sought to bring them back to the campus as soon as possible. Bail for each ranged from $150 to $250.

Meanwhile, a few students paraded across the campus carrying signs reading "on strike. Don't scab. Don't go to class."

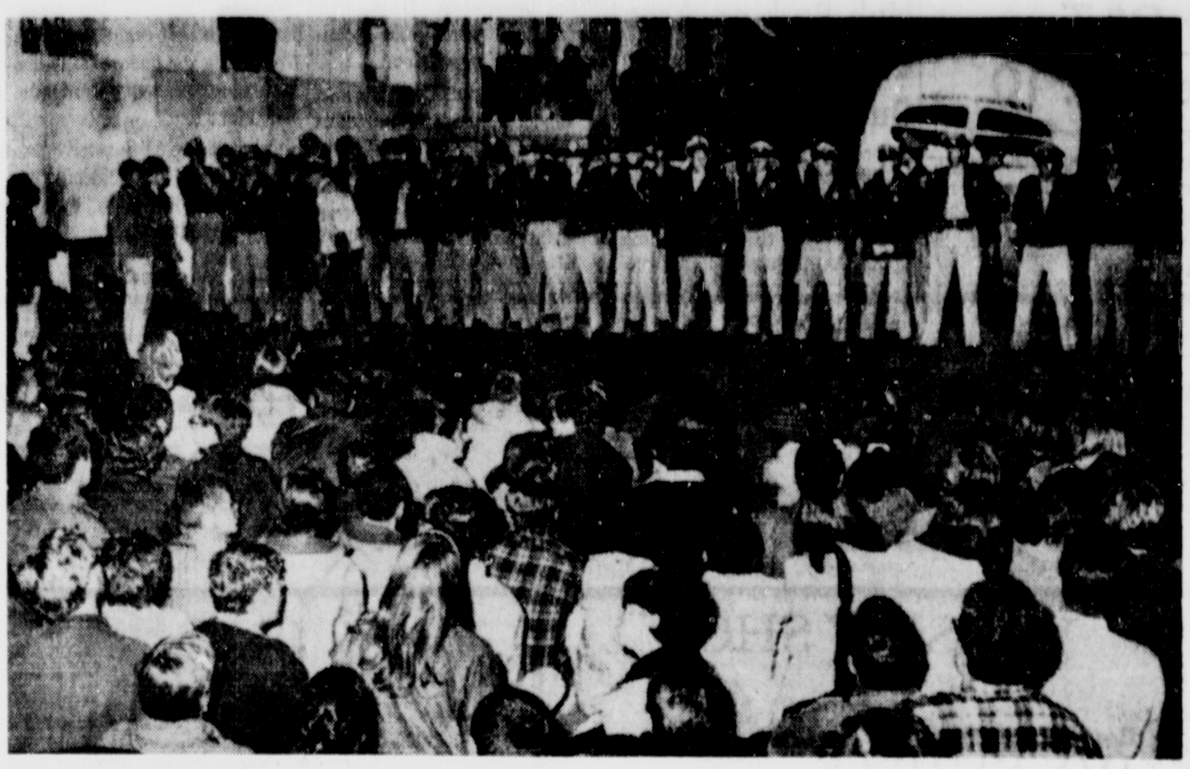

Jerry Goldstein, student body vice president, said many students were "dismayed" because some classes were cancelled.

The organization calling itself the Free Speech Movement has spearheaded the demonstrations which reached a previous peak Oct. 1-2 when students surrounded a police car on the campus for 32 hours. The car contained an arrested rebel leader and demonstrators severely damaged it using it as a speakers rostrum.

The university regents agreed two weeks ago to let students raise funds and recruit members for FSM groups at designated spots on the campus. But students rejected a university stipulation that these activities must comply with the laws of the community and the state.

The Free Speech Movement gave the university a 24-hour ultimatum Tuesday in which to drop charges against its leaders; halt further disciplinary action until a final agreement had been reached; restore full political rights to campus groups, and let the courts regulate campus political activity.

The university ignored the ultimatum, and the sit-in demonstration began shortly after noon yesterday.

Sanctuary Is Given Tidelands

Deed to a 20-acre tideland lot in the heart of the Richardson Bay Wildlife Sanctuary in Tiburon was presented yesterday to the National Audubon Society by Mervyn J. Goodman, a San Francisco real estate broker.

Goodman and his sister, Mrs. Leona G. Leibert of San Francisco, wife of Rabbi Julius A. Leibert, formerly of Congregation Rodef Shalom of San Rafael, donated the land in memory of their parents, Abraham and Sarah Monasch Goodman. The land has been appraised at $27,500, Goodman said.

The gift brought the total acres owned by the society in the wild fowl sanctuary to 82, according to Peter H. Behr of Mill Valley of the law firm of Behr, Boessenecker, Colangelo and Imlay of San Francisco, attorneys for the society.

The society holds long-term leases and deeds for about 900 acres of land in the Richardson Bay area.

PG&E Office Hit For $550 By Burglars

Burglars broke into the Mill Valley Pacific Gas and Electric Co. office at 465 Miller Avenue last night, pried open the steel safe and stole $550 in cash, police reported today.

Lawrence G. Shockley of South San Francisco, an employee, discovered the burglary when he went to the office at 12:35 a.m. today.

Police said the 20-by-30-inch upright safe was bolted to the wall.

The safe door was mutilated and the money, estimated at $550 in currency and coins, was taken from a drawer in the safe. Checks and other papers were left behind.

Entry, made between 6:30 p.m. yesterday and 12:35 a.m. today, was by prying open a rear metal-encased door, said officers.

Tiburon Will Draft Anti Dredging Letter

The Tiburon City Council will meet in special session at 5:30 p.m. tomorrow at Del Mar School to draft a letter asking the county to reconsider its permit for dredging off Strawberry.

The letter will ask county supervisors to reconsider permission given to Harbor Cove developers to dredge about 45,000 cubic yards of mud from Salt Works Canal.

Novato Chamber Might Relocate

Relocation of the Novato Chamber of Commerce office will be discussed by directors at a special breakfast at 8 a.m. tomorrow at the Lodge on Highway 101.

The chamber's lease on its present quarters will expire Jan. 31. The quarters are inadequate,

Accountant Says Jones Is Worth Over $1 Million

A San Francisco certified public accountant, George Olson, testified yesterday in the Janet and Preston Jones divorce trial in Marin Superior Court that the San Leandro millionaire's share in his business is more than one million dollars.

The accountant, with Price Waterhouse and Co., said this does not include Jones' personal worth, a value yet undetermined in the three-day-old trial before Judge Samuel W. Gardiner.

Mrs. Jones, 42, has alleged her husband, owner of Prescolite Corp. and seven other companies, has a total business worth of four million dollars, as compared to $200,000 when they were married 12 years ago.

Each is suing the other for divorce on grounds of mental cruelty.

Mrs. Jones, residing at their home at 16 Marina Way in San Rafael, testified yesterday she didn't like some of her husband's male friends, saying they sometimes got "fresh" with her, and they dated women other than their wives. Too, she said, she has been curious why her husband persistently will not undress before her, but instead seeks the isolation of a closet, bathroom or other room.

Witness this morning was D. J. Blattner, an appraiser-engineer with a Milwaukee, Wis., firm. He testified he was engaged to investigate common stock values. Questioning revolved around results of his findings as related to the shares held by the Jones couple.

Highways Costly

WASHINGTON (UPI)—The American Municipal Association estimates that if New York, Chicago, Boston, Philadelphia and Cleveland were to lost their existing rapid transit networks, it would cost 31 billion dollars to build highways to replace them.

The newly elected executive council of the Marin Inter-Club Council of the Young Men's Christian Assn. holds its first meeting after taking over from last year's officers. Members are (from left) Steven Kane, activities chairman; Gen Day, public relations chairman; Scott Dill, service chairman; Kim Evje, secretary; John Barrie, president, and Karly Horton, conference chairman. The executive council will hold its first regular meeting Monday.

African Criticizes Rescues In Congo

WASHINGTON (UPI)—President Kenneth Kaunda of Zambia has criticized the U.S.-Belgian airborne rescue mission in the Congo as a possibly bad precedent for foreign intervention in African affairs.

Kaunda addressed the national Press Club yesterday after meeting President Lyndon B. Johnson. He said the solution to the Congo problem lies in "quiet negotiations," not in "blowing trumpets or hot air."

Medic Bag Stolen From Unlocked Car

Theft of a medical bag from the automobile of Dr. Royce J. Truex, 29 Oak Drive, San Anselmo, was reported yesterday by Marin County sheriff's officers.

Doctor Truex said the black bag and contents, including a small quantity of narcotics and valued at $250 total, was taken between Nov. 26-28 from the unlocked vehicle. He said the auto was in a parking lot in the 1000 block of Sir Francis Drake Boulevard in Kentfield, and later parked at Marin General Hospital.

High Schools Get Tough On Rules Against Smoking

By JEFF GREER

Twenty-two San Rafael High School students and 32 at Terra Linda High have run afoul of state law and school rules banning smoking on campus since the fall semester started.

Each of those caught has been suspended from school for a week. At Terra Linda, one boy was caught a second time and given a two-week suspension; one was caught a third time and was sent home for the rest of the semester, according to Mrs. Margaret Rattray, dean of students.

San Rafael High has had no repeat offenders as yet this year, according to Dean Florence Abraham.

The state education code forbids smoking or possession of tobacco by public school students on the school grounds or while participating in school-related activities. Individual schools set their own policy on discipline meted out to offenders; the two schools in the San Rafael High School District use identical policies.

A booklet of rules given to students at the beginning of the year spells out the smoking and other rules, so "the student can't say 'nobody ever told me', Dean Abraham explained.

Most of the smoking problems arose and were dealt with early in the semester. Since Oct. 16 only seven cases have occurred at San Rafael High.

One of this year's suspensions has been appealed to the district's board of trustees, which upheld the dean's action. The parent complained that the actual witness to the alleged offense was not present at the appeal.

"This is not a court matter. It is discipline. The staff member did what was necessary by reporting the offense to me," one dean explained.

Girls apparently do not smoke as much as boys, or are not caught so easily. The ratio at Terra Linda High is 22 boys to 10 girls; at San Rafael, 12 to 10.

The smoking rule extends one block from the actual school grounds in San Rafael; other schools' "campus" boundaries may differ, the deans said. The extended boundaries are designed to prevent students from ducking across the street for a few puffs, to circumvent the state law.

LBJ APPEALS FOR WESTERN UNITY

Johnson Says Nations Must Work Anew For Atlantic Partnership

WASHINGTON (UPI)—President Lyndon B. Johnson today appealed anew for Western unity while deploring "erosive nationalism."

Nations of the West must again rise above "national concerns" and work together toward the vision of European unity and Atlantic partnership, he said.

The president made the remarks in a speech at Georgetown University, the nation's oldest Roman Catholic university.

He received an honorary doctor of laws degree. A similar degree was awarded posthumously to the late President John F. Kennedy.

While seated on the stage in Georgetown's McDonough Gymnasium in an academic robe, before speaking, Johnson appeared somewhat restless and preoccupied during the early part of the ceremony.

He smoothed his hair several times, shaded his eyes against the glare of lights and once patted his face and neck with a handkerchief.

As he delivered his speech, Johnson was perspiring. The crowded university gymnasium was quite warm and the president had asked, while waiting to speak, that hot television lights be turned off until he started his address.

Johnson told the convocation that the success of the Western alliance has been "the greatest success story in the history of the West." He cautioned, however, that "the world is still full of peril for those who prize freedom."

Johnson also indicated a willingness to work towards a solution of the problem of control of nuclear weapons. This appeared to be indirect reference to the controversial U.S. proposal for a NATO multi-lateral nuclear force of missile-armed ships with mixed crews. France is adamantly against it and most other NATO allies are only luke warm on the plan.

President Operated On For Skin Trouble

WASHINGTON (UPI) — President Lyndon B. Johnson today underwent surgery to have a thickening of the skin removed from the back of his right hand. It was described by the White House as a small hyperkeratosis.

Press secretary George E. Reedy said the operation was performed in the White House with local anesthetic. He said it would not interfere with the president's duties in the slightest.

This included a speech this morning at Georgetown University here.

Reedy said he was informed by medical advisers that the thickening of the skin was caused by overexposure to the sun. He said there was no malignancy.

A reporter asked Reedy if Johnson might be "laid up" at all by the operation. Reedy replied, "not in the slightest."

Tiburon Volunteer Firemen Elect

William R. Sullivan last night was elected president of the Tiburon Volunteer Firemen's Assn.

He replaces Aldo de Tomasi for a one-year term. Others elected were Robert J. Wallermann, vice president; Adolph Edwards, treasurer; Abel Reis, secretary and Louis Soldavini, sergeant at arms.

'Mr. Labor' Will Retire

George Robert Scott, 67, of Amicita Avenue, Mill Valley, will retire next month as secretary of Painters Union Local 83 of Marin County after 30 years at the job.

Scott, who also serves as president of the Building and Construction Trades Council of Marin, will remain in that post.

Known to friends as "Mr. Labor of Marin," Scott has many activities. He is a member of the Marin County Planning Commission and a director of the Marin Tuberculosis and Health Assn.

The painters have called a special meeting Dec. 14 to elect a successor to Scott.

U.S. Plans To Attempt To Maneuver Mariner-4

PASADENA (UPI) — A tricky maneuver will be attempted tomorrow morning to put Mariner-4 on a better course for its historic Mars fly-by photographic mission.

The maneuver—if successful—would bring the spacecraft to within 8,000-12,000 miles of the Martian surface next summer.

Without the correction, Mariner-4 would approach Mars about next July 14 at a distance of about 151,000 miles to climax a seven and one-half month-long, 325-million-mile journey.

The Soviet Union's Zond-2 chased Mariner-4 through space today, apparently still well behind the American entry in the race to Mars.

The official Soviet News Agency Tass said last night that Zond-2 was about 440,000 miles into space.

U.N. Finance Agreement Hope Rising

UNITED NATIONS, N.Y. (AP)—Negotiators worked behind the scenes at the United Nations today amid rising hopes for an agreement to clear away the organization's financial and constitutional crisis.

Backstage talks being conducted by Secretary-General Thant got an endorsement at a meeting yesterday between the foreign ministers of the United States and the Soviet Union.

Secretary of State Dean Ruck termed his conference with Soviet Foreign Minister Andrei A. Gromyko "constructive." U.S. Ambassador Adlai S. Stevenson was said to feel the talks were "useful and good."

With the Soviets for the first time showing interest in discussing the financing of peacekeeping operations—but not yet in accord with the U.S. — the initiative was turned over to Thant.

A group of Asian-African countries promptly presented a three-point plan. Informed sources said the Soviets and the Americans agreed to the plan in part.

The African-Asian plan proposed that:

1. The General Assembly declare the U.N. Charter's Article 19 inapplicable in the present case. This is the provision that any member two years behind in its dues—in this case the Soviet Union—shall lose its assembly vote.

2. A study group be formed to work out plans for future financing of peace-keeping operations.

3. A "rescue fund" be set up by voluntary contributions to pay the deficit on past peacekeeping operations.

WANTS RED CHINA — Alex Quaison-Sackey of Ghana, December president of the United Nations, told a press conference in New York yesterday that he believes Communist China should be seated in the United Nations. Quaison-Sackey, first black African to be president of the assembly, voted for Red China's admission last year as Ghana's delegate. (AP Wirephoto)

Radio Hobbyists To Honor 'Ham'

"The Marin Ham of the Year" will be named at the Christmas dinner of the Marin Amateur Radio Club at 7 p.m. Saturday at Deer Park Villa in Fairfax.

About 75 radio hams are expected at the dinner. Leo Bodian of 123 Blossom Court, San Rafael, is in charge of reservations.

There was no meeting last night of the Muir Beach Community Services District board because of lack of a quorum. The next meeting will be Jan. 6, according to Charles S. Graham, secretary-manager.

AMA Plan To Attack Medicare

MIAMI BEACH (UPI)—The American Medical Assn. liberalized its approach to birth control and planned a new attack on the Johnson administration medicare program in the windup of its winter conference yesterday.

Dr. James Z. Appel of Lancaster, Pa., chosen president-elect of the AMA, said there will be a meeting in Chicago Dec. 13 of the board of trustees with representatives from each state medical society to solidify the medicare attack.

Appel said that despite the new congressional strength won by President Johnson Nov. 3, "I don't think the AMA is being unrealistic" in keeping up its battle against medical care for the aged under social security.

The 228-member house of delegates, top policy unit of the AMA, approved the change in the AMA's approach to birth control in adopting a report of a committee which made a study of the subject.

The report is a basic policy point, that "an intelligent recognition of the problems that relate to human reproduction, including the need for population control, is more than a matter of responsible parenthood; it is a matter of responsible medical practice."

$30 Stolen From Humane Society

A burglar, who evidently crawled through a window of the Marin County Humane Society building at 402 Third Street, San Rafael, yesterday took about $30 from a counter container that held contributions to the society.

Director Mel L. Morse told police the entry was probably made between 5:15 p.m., when the office closed, and 8:15 p.m., when it was opened again for a meeting and the loss was discovered.

Lynch Warns Of Danger From Dorado Case Ruling

SAN FRANCISCO (AP) — The landmark Dorado case could result in freedom for "some of the most brutal and notorious criminal offenders in this state," Atty. Gen. Thomas C. Lynch has warned the California State Supreme Court.

Lynch made his prediction yesterday as he filed a supplemental brief to his petition for a rehearing on the Dorado ruling. The rehearing is set for Dec. 15.

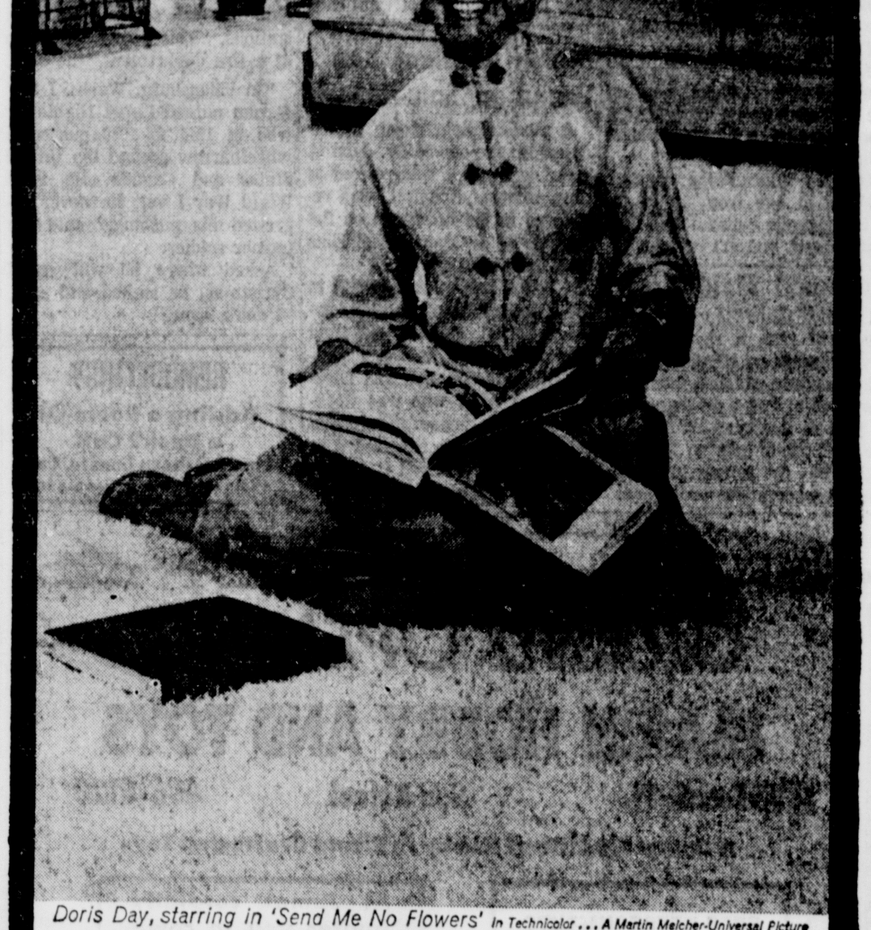

On Aug. 14 the State Supreme Court reversed the conviction of Robert B. Dorado, 29-year-old Los Angeles narcotics addict who was under a death sentence for fatally stabbing a fellow San Quentin inmate.

The court said Dorado should have been advised of his right to an attorney and of his right to remain silent. He admitted the crime.

Lynch said that law enforcement officers were confused and alarmed by the court's decision. He added that 779 habeas corpus petitions were filed in the two months following the decision, compared with 210 in the same months of 1963.

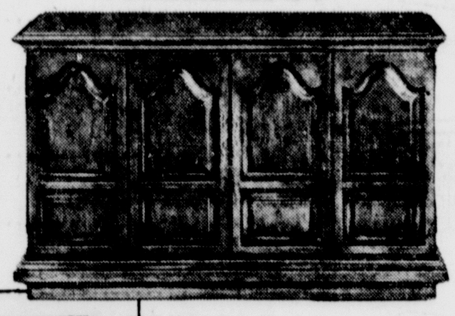

Birds are prodigious eaters. Kingfishers may eat twice their weight in fish in a day; a flicker ate 5,040 ants at one meal; a robin nesting requires 14 feet of earthworms daily.

Canada To Mexico Scooter Rider Camps In Tam Valley

Takes Pot Luck With Firemen During Odyssey

By BRUCE COLEMAN

A 50-year-old man named Henry Van Der Scheer, who is riding a motor scooter around Canada, the United States and Mexico, rolled into the Tamalpais Valley Fire Department last night and "set up camp."

Putting his tent on the firemen's shop floor, he rolled out two sleeping bags, (one inside the other) and said he thought he would have canned tuna, a kosher pickle, oat meal cookies and chocolate milk for supper.

"How would you like hot chicken pot pie instead?" asked Fireman Carl Carlson. Van der Scheer said that would be fine.

Since leaving Kalamazoo, Mich., Aug. 13, Van der Scheer has logged 10,157 miles on his black nine-horsepower vehicle.

"The only way to see things is on a two-wheel," said the six-foot two-inch scooter man.

Van der Scheer described most of his stops from Winnipeg, to Moose Jaw, and Dawson Creek, and from Walla Walla to Nick's Cove, near Tomales, where he spent Tuesday night.

He wears a calf-skin jacket with long streamers made by Indians and sold only at Fort Sill, Okla., where he was once in the Army. He wears a safety helmet with a red reflector on the front to reflect car lights.

Van der Scheer bought a special belt to wear on the trip to protect him from being shaken up too much but, after three days, took it off because the cycle's seat is so springy.

He said his scooter, with gear, weighs 740 pounds, has dual exhausts, 54-inch wheel base and does 75 miles on a gallon of gas and 1,000 miles on a quart of oil. The most miles a day he has covered is 211.

HEADING FOR MEXICO—Henry van der Scheer, who says the only way to see the country is on two wheels, heads out of Tamalpais Fire Station on journey that has taken him across Canada and down the Pacific Coast.
(Independent-Journal photo)

Headed south this morning, Van der Scheer will go to San Diego, Tombstone, Ariz., Mexico City, and be back in Kalamazoo in May. He may go to South America after buying a larger cycle, he told Carlson.

He has ridden for days through Canadian rain, and been fogged in on a Washington mountain.

"At times I was ready to turn back," he related.

"In Ontario I met a big black bear on the road. I stopped. I looked at him and he looked at me. I got pictures of him, then he crossed the road and looked at me again and then took off into the brush."

Single, Van der Scheer got the travel bug while in the Army in World War II. He was sent to Alaska where he served four years in ordinance work and stayed on after discharge until 1950. He later reentered the Army and served two tours in Germany and one in Korea.

Discharged in April, 1963, he decided to travel around his homeland. He boarded a bus on a $99 ticket and traveled 12,000 miles. Then he decided to get a scooter.

He visits parks, dams, saw mills, sea caves along the way, pitching his three-pound 12-ounce tent at night mostly at campsites but sometimes at gas stations. "This is my first stop at a fire department," he said.

"In Ellensburg, Wash., I met a man named Larry Hightower who in 1946 to 1950 pushed a wheelbarrow around the United States and Canada. He is a World War I vet. He never regretted his pushing," said the former soldier.

Asked where he will spend Christmas, he smiled and said, "I don't know."

Boys Blast Fire Plug Into Orbit

CONCORD (AP) — Four boys used a pound of gunpowder to blow up a fire hydrant last night, the highway patrol reported.

The boys escaped injury, but the metal cap of the hydrant came down two blocks away on the roof of a home occupied by Bobby Justice, a highway patrol officer.

Officers placed the youths, ranging in age from 13 to 16, in the juvenile custody. The boys' names weren't revealed.

Council Field Trip

Corte Madera town councilmen will take a field trip to developments on steep slopes in Marin County, starting from the town hall at 8:30 a.m. Saturday, as part of their preparation for the first public hearing Monday night on the town's proposed slope conservation ordinance.

Stolen Medical Bag Found In San Rafael

A medical bag, stolen yesterday from the car of Dr. John C. Siemens while it was parked at Ross General Hospital, was recovered in the afternoon on the grounds of the San Rafael Elks Club on Mission Avenue.

A box of narcotics that was in the bag had been emptied, police reported. Nothing else had been taken. The bag was spotted by a Pacific Gas and Electric Co. worker who was working on a pole across the avenue from the club. He reported it to club manager Clifford C. Toner, who called police.

Kremlin Boss Rattles Saber Over Vietnam

MOSCOW (UPI)—Soviet Communist chief Leonid I. Brezhnev said today the United States is "playing with fire" by making alleged air and sea attacks on "Communist North Vietnamese territory. He warned that the Soviet Union is prepared to give aid to North Vietnam.

CONGO 'PIRACY'

In his severest attack on the United States since he came to power seven weeks ago, Brezhnev also accused the Americans and Belgians of "piracy" in the paratroop drops that rescued white hostages in the Congo.

Brezhnev, addressing 6,000 persons in a Kremlin rally, charged that U.S. policy toward Cuba was poisoning the world situation. He lashed out against the U.S. proposed NATO Multilateral Nuclear Force as a plan to put the West German finger on the nuclear button.

NORTH VIET CLAIM

A day after Communist North Vietnam charged that 12 U.S. military planes"—four of them jets—bombed and strafed its territory. Brezhnev charged that U.S. ships and planes strafed North Vietnam" and added:

"We in the Soviet Union cannot remain indifferent to a brotherly country and are prepared to give aid to it.

"Let the imperialists be careful. It is dangerous to play with fire."

Brezhnev's tough language against what he termed Western imperialism in Asia and Africa was seen here as a move to counter Communist China's attempts to portray itself as the best friend of the Afro-Asians.

Rancher Shoots 'Killer' Dog

Owen Potter, rancher near Point Reyes Station, has reported the killing of a large brown-and-white dog which he said slaughtered 13 sheep over the past few days, Marin County sheriff's officers said today.

Potter told them his son-in-law, Boyd Fuqua, shot the dog Sunday in a pasture south of Sir Francis Drake Boulevard between the Bear Valley and the Shoreline Highway junction. Officers quoted him as saying a dead sheep was found 40 feet from where the dog was shot.

According to the report, the dog had escaped from nearby kennels.

Tiburon Area Sewer Pipe Stars In Television Show

Story and Photo
By ELLEN BRY

Two directors of the Richardson Bay Sanitary District yesterday sat in clean comfort and took a detailed look at a dirty, greasy sewer pipe on a television screen.

A television camera was dragged through a sewer line on Cecilia Way on the Tiburon Peninsula in a trial run to see if the method could be used to find sewer breaks in other parts of the district.

Directors are worried about sewers in Bel Aire and Strawberry areas, which they know by flowage charts have loose joints or breaks which let in storm water. Storm water can cause overloading of the district's sewage pumping and decontamination facilities. The exact location of a break usually can be found only by expensive digging.

The television sending apparatus was enclosed in a metal tube and pulled through the eight-inch sewer on skids. The lens apparatus is ringed with lights by which to view the dark hole. The lens equipment is so sensitive to light that it cannot be in sunlight without "burning out" the mechanism.

Directors Alfred O. Pratesi and Samuel A. Fletcher watched the screen, checked sewer joints and watched inches-thick sheets of grease in the pipe from home garbage disposal units.

They found no break but were able to note a sag in the line some five feet below street level, indicated by water standing in the pipe.

The television apparatus was supplied free by Chek-O-Line of Los Angeles, A subsidiary of Rodding-cleaning Machines, Inc., San Leandro, which does the district sewer cleaning. Directors still must decide whether to use the TV apparatus, at a price, for actual exploration in lines suspected of leaks.

Driver Fined $166

Arthur David Talbott, 55, of 6 Warren Court, Tiburon, was fined $166 yesterday in Marin Superior Court for drunken driving. He was arrested by California Highway Patrol on Highway 101 last Oct. 26.

Corpse Found In Auto On Steep Hill

A San Rafael bulldozer operator was found dead yesterday in his car down a steep bank from Tiburon Boulevard in Bret Harte Heights.

Asst. Coroner William C. Bradley said the death of Robert E. Lee, 44, was from cirrhosis of the liver.

Francis H. McKay Jr., 31 Chanticleer Avenue, Larkspur, discovered the auto resting against a tree about 10 feet down the embankment about noon yesterday. Walking down, he saw Lee's body. He immediately went to a nearby house and phoned the California Highway Patrol.

Lee's wife, Jacqueline, who is staying with relatives in Portland, Ore., told the assistant coroner her husband had threatened to take his car to the hill across from the Bermuda Palms Motel, where he was staying, and drive off a cliff.

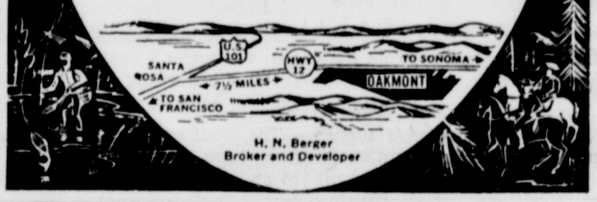

Lee, a native of Pennsylvania, had stayed in the San Rafael area for about two months. In addition to his wife, he is survived by a daughter, Mrs. Dorothy A. Kinney of Santa Barbara.

Funeral arrangements are pending at Harry M. Williams mortuary, San Rafael.

Three Youths Steal Two Bottles Of Gin

Three youths escaper with two bottles of gin Tuesday evening from Rudy's Liquor store at 1835 Fourth Street, San Rafael, police reported today.

Two youths distracted clerk O. W. Webb while the third took the bottles from the shelf, Webb told police.

Man Is Found Guilty Of Gouging Out Eye

A Marin Superior Court jury yesterday found James Ernest Terrell of Vallejo guilty of gouging the left eye of a San Rafael man with a broken glass last April 2.

Sentencing on the conviction of assault with a deadly weapon was scheduled by Judge Richard M. Sims Jr. for 10:30 a. m. Dec. 21.

The jury began deliberation of the two-day trial at 3:30 p. m. yesterday and returned its verdict in 90 minutes.

Terrell, assaulted Louis M. Molles Jr., 27, of 11 Roger Drive, San Rafael, in a fracas at King Cotton Restaurant, 831 Francisco Boulevard, San Rafael. Molles lost the eye.

Deputy Dist. Atty. W. L. Mackey, who prosecuted, asked the jury for a verdict that would "not return us to the jungle" where a man can take a broken bottle or glass and lash out at anyone.

Defense attorney Donald Warden of Oakland contended that sight-impaired Terrell was pushed from behind, then struck, and fended off his assailant or assailants by waving the glass before him.

Terra Linda Student Booked For Burglary

A 17-year-old Terra Linda High School student was booked into Marin County Juvenile Hall Tuesday for the Thursday burglary of the home of Lewis E. Wehrer, 128 Maybry Way, Santa Venetia.

Loot including a .30-.30 caliber rifle, a wristwatch and a cigarette lighter was recovered, according to Harvey Teague, inspector of the juvenile division of the sheriff's office.

Victim's Voice

NIS, Yugoslavia (AP) — There is some foxy fox hunting being done in the countryside around this Serbian city. A school teacher started it by tape recording the cackling of frightened hens. The idea is for the hunter to hide in ambush, play the recorded cackling, and be ready to shoot when the fox shows up looking for easy prey.

Two Candidates Selected For Student Exchanges

Terra Linda High School has selected two candidates for the American Field Service student exchange program, Brian Duthie and Nancy Loeber, both juniors.

Brian is a son of Mr. and Mrs. William A. Duthie, 260 Merrydale Road, San Rafael Meadows, and Nancy is a daughter of Mr. and Mrs. William B. Loeber of 812 Descanso Way, Santa Venetia.

Although the school has participated in the AFS summer program, this is the first time it has submitted candidates for the year-long program.

Applications were interviewed last May by the Adult International Student Exchange Committee composed of chairman Berry Nichols, head of the Terra Linda High language department, other faculty members and parents. The candidates were chosen on the basis of academic standing, proficiency with a foreign language and knowledge of world affairs.

Candidates placed in the Southern Hemisphere will leave in January. Those placed in the Northern Hemisphere will leave next summer.

Maternity Shop Delays Opening; New Name For Accounting Firm

Hoping to open today in San Rafael was **Marion's Maternity,** at 1336 Fourth Street.

Proprietor **Mrs. Marion Bennett** of Mill Valley has been holding up getting started from day to day, waiting on deliveries of stocks. Goods will be entirely in the maternity line—dresses, lingerie and similar wear. Harry Abras of Timmer Realty leased her the store formerly occupied by Cottage Bookshop.

Marion's Maternity will observe hours from 9:30 a.m. to 5:30 p.m. Mondays through Saturdays. Evening hours on Fridays are being considered.

CERTIFIED PUBLIC accounting office of **Costanzo and Greene,** 1010 B Street, San Rafael, is now known at **Greene, Carter and Schulte.**

Frank W. Costanzo of Sleepy Hollow has moved his office to San Francisco. **Richard E. Carter** and **Stephen W. Schulte,** previously employed in the office, have been joined in partnership with **Charles Greene.**

ELEANOR AND FRED FLEISHMAN, who had **Fleishman's Beauti-Pleat Draperies** at 1842 Fourth Street, San Rafael, had intended to open their new branch, **Fleishman's Interiors,** in Unit 1 of the Northgate Shopping Center early this month, but have now decided to delay doing so until after the first of the year.

Holiday orders have been piling up, keeping both of them busy, and there's little time to give to a new store opening until the seasonal rush has died down.

THIRD AND IRWIN branch of **Sarganis Bros. Shell Service Center** in San Rafael has been sold, and **Stanley Sarganis** has joined his brother, **Anthony,** in the service station at Second Street and Lincoln Avenue.

New owners at Third and Irwin are another pair of brothers, **Terrance and William Kerns** from San Bruno, and of course the station will be called **Kerns Brothers Shell Service.** Terrance has already moved to Novato; brother William has a family of six youngsters in school to be considered so he'll probably stay where he is for now.

D. D. DAUGHERTY of Novato who has been managing **Novato Firestone** at 7374 Redwood Highway for the past two years, has purchased the business from **Novato Home and Auto Supply, Inc.** As new owner, however, he will operate along the same lines at before.

PETER SKJERSETH of Novato who has spent the last 21 months with **Crocker-Citizens National Bank** relieving branch managers and assistant managers in 37 different offices while they were away or on vacations, has finally landed at a permanent desk. It was well worth waiting for, and commensurate with all this varied training. He is now assistant manager at the head office in Berkeley. It may mean moving away from Marin.

INSURANCE. Harry J. Mueller, now living in San Rafael, has been made mortgage loan district manager for **Pacific Mutual Life** in San Francisco. With Pacific Mutual since 1950, he will be responsible for the company's mortgage investments in the Bay Area. Prior to this appointment he managed the company's operations in Cleveland . . . **Richard Secrist,** general agent in Marin for **John Hancock Mutual Life,** has been attending his firm's general agents meeting in San Francisco this week . . . **Alan G. Gizzi** of San Rafael has been appointed an agent with the San Rafael district agency of **Prudential Insurance** . . . For every American worker covered by a private pension plan in 1950, there will be four in 1980, according to projections by the U. S. Bureau of Labor Statistics.

Liner President Hoover Is Sold

SAN FRANCISCO (AP) — The American President Lines has sold the passenger liner President Hoover to a British ship line and replaced it with the larger and faster President Roosevelt.

George Killion, president of the company, said yesterday the liner was sold to International Cruises, a member of the Chandris Group of London, England. The British company reportedly paid $720,000 for the vessel.

Market Shuts Higher Second Straight Day

NEW YORK (AP) — The stock market closed higher today for the secnd straight day.

However, many prices were shaved in the afternoon.

Trading was moderate.

Volume for the day was estimated at 4.5 million shares, compared with 4.9 million yesterday.

Some of its momentum was lost as the session wore on. Prices continued firm but some gains were sliced. Trading was moderate.

Comsat, on which the New York Exchange banned stop orders, appeared likely to be the day's most active stock.

The market's advance came as the First National Bank of Boston withdrew its boost of the prime rate. The bank's action followed a plea by President Lyndon B. Johnson that banks refrain from increasing the rate.

Airlines were strong with Western Air Lines, Trans World Airlines, and National Airlines gaining a point or more.

Steels also were solidly in the plus column. Jones and Laughlin advanced a point and U.S. Steel, Bethlehem and Republic were up about half a point.

American Telephone was actively traded and added more than a point. RCA also was active but was off a minor fraction.

International Business Machines advanced 4 points. Polaroid lost a point.

Gains of about a point were registered by U.S. Smelting, Control Data, Sears, Roebuck and Goodrich.

Prices advanced in moderate trading on the American Stock Exchange.

Treasury bonds advanced and corporates were mixed.

Sale Of Assets Is Announced

NEW YORK — Gordon W. Reed, chairman of the board of Texas Gulf Refining Co., and E. L. Steiniger, chairman of the board of Sinclair Oil Corp., have announced here completion of the sale of substantially all of the assets of Texas Gulf Producing Co. to subsidiaries of Sinclair.

Reed repeated the previous estimates of officials of Texas Gulf Producing Co. that the total liquidating distributions will be approximately $62 per share, in addition to the initial liquidating distribution of $1 per share paid last June.

Northgate Gift Shop Will Open

Noma's Gifts and Crafts, a new store handling imported giftware and art objects from the Orient, will open tomorrow in the Northgate Shopping Center.

The store, owned by William K. and Yoriko Noma of 3 Arcangel Way, San Rafael, will have a week-long grand opening sale. Store hours will be from 10 a.m. to 9 p.m. daily.

A woodworking shop is being installed in the rear, where shoji screens, Japanese chests and other articles will be made to order.

Noma heads Union Trading Co., a San Francisco firm engaged primarily in exporting goods to the Orient, Mexico, South America and Europe, along with some importing business. Mrs. Noma will be in charge of the Northgate operation.

$3,126,000 Approved For Phone Circuits

WASHINGTON (UPI) — The expenditure of $3,126,000 has been authoribed by the Federal Communications Commission to provide an increase of 2,164 telephone circuits between Redding, San Diego and various other California cities.

The commission said Pacific Telephone and Telegraph Co. would pay $3,110,000 of the bill, with American Telephone and Telegraph paying the remaining $16,000.

Bridge-Ferry Units Contract Let By Army

SAN JOSE (AP) — A $3,318,146 contract for construction of 66 mobile, floating assault bridge-ferry units has been awarded to FMC Corp., by the Army.

FMC's Ordinance Division said today it will produce the self-propelled, amphibious transporter units, designed to carry supperstructures that form a floating bridge or ferry for use in assault river crossings.

The units can travel cross-country on wheels at top speed of 35 miles an hour and can be maneuvered in water by a propeller.

The bridge-ferry units can be quickly linked together in midstream, with the folding bridges joined, to form a floating roadway capable of supporting tanks and other heavy military equipment.

Bank Reports Profits Up

SAN FRANCISCO (UPI) — The Canadian Bank of Commerce (California) has reported an increase of 5 per cent in net profits for the fiscal year ending Oct. 31 over last year.

Kenneth G. House, president, said net profits totaled $21,402,602, an increase of $1,017,543.

The bank also reported that total assets were above 5.5 billion dollars for the first time in the fiscal year ending Oct. 31, and totaled 5.503 billion dollars, up 255 million from last year.

The bank has facilities in San Francisco, Los Angeles, Portland and Seattle.

Grape Sales In Decline

FRESNO (UPI)—Grape sales on the Eastern auction markets declined last week to 47,376 packages at an average price of $4.14, the federal-state market news service reports.

Last week's sales compared with 56,717 packages at an average price of $4.19 during the previous week.

Through the week ending Nov. 28, 1,652,111 packages have been sold during the 1964 harvest season at an average price of $4.28.

Chrysler Production Has 'Best' Month

DETROIT — Chrysler Corp. passenger car production for November in the U.S. totaled 143,088, the best month since March, 1955, when car production reached 154,221, which is the highest since the company began compiling monthly totals.

Last month's production also was the best car output for any November since monthly records were instituted. Passenger car production last month was up nearly 39 per cent over November, 1963.

Marincello Feasibility Questioned In Forum

Continued from page 1

planning requirements, number of apartments, industrial feasibility and prospects for completion of the city.

The session, sponsored by the Marin Council for Civic Affairs and Marin Federation of Improvement Club, was informational and did not evolve into a pro and con debate.

Panelist Naphali Knox of Mill Valley, a University of California community planner, commented first after Thomas Frouge, chairman of the board of Frouge Corp., and his consultants outlined plans for cluster-type development of Marincello.

Knox said he was concerned about the predictability of the proposed commercial and industrial development. He also said that the county's regulations regarding planned community development are inadequate, particularly in that they do not require a time schedule.

Knox agreed the Frouge plan was "well conceived," but said he would like to know more about the socio-economic profile of the community, including rents and salaries.

Mill Valley Mayor Michael Wornum, an architect and planning student at University of California, said, "Can this be delivered? I have some doubts."

Before development "engulfs," it should be considered whether this "is the right form for a new city," Wornum said.

He pointed out that Marincello would not be "a typical Marin community," particularly in high percentage of renters in high rise apartments. There would be 11 multiple dwellings for each single-family unit.

Panelist M. Justin Herman of Sausalito, redevelopment director for the City of San Francisco, commended Frouge Corp. for its imaginative work. He said, however, he would like some projection of the wages that will be paid to Marincello residents who will work in that city, and the rents.

He said he also would like more information on the feasibility of industry.

Frouge said there is little danger of the project getting off-balance in development. It will be developed in phases, taking in about 200 acres at a time, from the lower ground to the higher ground with "some of everything" in each phase, he said.

Frouge said he felt the corporation could attract industry to Marincello because it will provide the space, environment and labor "at the right price."

"I don't think we should be hammered down, but should be given an opportunity. Nothing in this world is accomplished unless you try and all I want to do is try," he declared.

John Lyon Reid of Reid and Tarics, architects and engineers, said the 2,138-acre site of Marincello has unique features and will provide the opportunity for a balanced community where residents will work near home. There will be a minimum of traffic leaving the area, he contended.

The high-rise apartments will be set against the hills and will not be visible from outside the city, Reid claimed.

Rai Okomoto of Okamot and Liskam, San Francisco architect-engineer firm, said the cluster type development of Marincello would allow a "wedding" of conservation and preservation with reality.

The industrial development will not "tear up the countryside," said Okomoto.

Former county supervisor Vera L. Schultz, intergovernmental relations consultant to Frouge Corp., said "the developer does not intend to build a bedroom community, take the profit and go away."

One-family residential development would not produce so much tax revenue, Mrs. Schultz noted.

The industry planned for the city includes tourism and recreation, including a resort hotel and convention center, she said.

Frouge has contended that Marincello would be economically self-sustaining and would provide Marin with a tax surplus of 2.7 million dollars a year.

Mrs. Schultz said that planning regulations have been considered and that a new type of planned community zoning may be sought.

Mrs. Margaret Azevedo, chairman of the Marin Council for Civic Affairs and chairman of the meeting, said two of the key questions are:

Shall every community in Marin be like every other, or should Marin try to offer different environment for different people?

Shall Marin's growth be spread evenly throughout the county or compressed into denser communities, retaining other lands open?

The Marin County Planning Commission will receive Frouge's zoning application Monday, but will take no action then except to set a date for a hearing.

Academy May Move To Novato

Plans to get San Rafael military Academy to relocate in Novato will be discussed at a special meeting of directors of the Novato Chamber of Commerce at 8 a.m. tomorrow at the Lodge on Highway 101.

Three sites in the Novato area have so far been offered to the Marin Development Assn., which is assisting the Episcopal Church in relocating the academy, chamber president Richard Nave said.

Carroll A. Snyker, Marin Development Assn. executive secretary, said six or seven possible locations have been submitted for consideration.

"The Novato area seems to offer the best possibility of our obtaining usable land at a price they can afford," Snyker said.

Dr. Sumner Walters Jr., headmaster of the academy, expects to spend about $150,000 for the new site, Snyker reported. A 20-acre site is sought.

Tweed with a new twist. Our

Carakul Coat

by Hart Schaffner & Marx

These new-this-fall sport coats work a handsome change on classic tweed. Fine mohair in a bouclé ("curl") effect overlies the herringbone patterns to add a three-dimensional look and a depth of shading to HS&M's new Game Feather Colors. That's not all. Alpaca is blended with the fine wools of this fabric for a luxurious feel. What can make a handsomer sport coat? Only Hart Schaffner & Marx tailoring.

Chicago Inks Dick Butkus; Morton Signs With Dallas

By MIKE RATHET
Associated Press Sports Writer

Dick Butkus, one of the prime targets in the multi-million dollar pro football war, signed with the Chicago Bears for an estimated $200,000 package and ended several days of intrigue in which the New York Jets tried to lure him into the rival American League on a lateral from Denver.

Shortly before the Illinois linebacker was unveiled as a member of the Bears, Craig Morton of California, was signed by the Dallas Cowboys, also of the National League. Morton, rated by many as the best pro prospect among this year's graduating quarterbacks, also was drafted by Oakland of the AFL.

Although the reports were denied, it was rumored that Oakland also had offered Morton a $200,000 package.

In neither the Butkus nor in the Morton signings were the financial terms announced. It was presumed, however, that Butkus accepted terms the equal of those reportedly offered by Denver.

While the National League won the struggle for Butkus' services, the American League pulled even in signing competitive first round draft choices when the Houston Oilers signed the league's No. 1 selection—Baylor pass-catching whiz Larry Elkins.

Butkus' decision to join the Bears—a major score for the National League in the battle for big names—came almost simultaneously yesterday with the revelation that Denver had traded its rights to the standout Illinois linebacker.

At his home in Champaign, Ill., Butkus told The Associated Press:

"Yes, I definitely have decided to play for the Chicago Bears and definitely will sign with them."

Butkus was a first round selection of the Bears while the Broncos, who had traded away their No. 1 pick in the AFL draft, made him their first pick on the second round.

The Oilers, signing their No. 1 draft choice for the fifth time in six years, whipped the NFL's Green Bay Packers for Elkins' services while reuniting last year's sensational Don Trull to Elkins passing combination.

Trull, now a rookie with the Oilers, was the Baylor quarterback in 1963. Besides Trull there were other lures for Elkins. According to the Houston Post, he signed a contract calling for a $35,000 bonus and three years at $30,000 a year — a $125,000 package.

Elkins' signing gave the AFL a 2-2 split with the NFL in the signing of players both leagues drafted on the first round.

Besides Elkins, Tennessee guard Steve DeLong signed with San Diego of the AFL. He also had been drafted by the Bears. Chicago signed Kansas halfback Gale Sayers, also picked by Kansas City, while Detroit signed Indiana fullback Tom Nowatzke, a Jet pick in the AFL.

Alabama quarterback Joe Namath also was picked on the first round in each draft, but will play in the range Bowl before signing. He's up for grabs between the NFL's St. Louis Cardinals and the Jets.

In over-all first round selections, the NFL has signed five of its 14 and has lost two to the American League. The AFL has signed four of its eight and lost three to the National League.

Cleveland of the NFL split even on signing two of its second-round picks Wednesday, getting Purdue tackle Jim Garcia in a battle with Denver but lost Georgia Tech defensive back Gary Bussell to the Broncos.

Other signings:

NFL

Washington — Willie Adams, New Mexico State linebacker.
New York — Jim Carroll, Notre Dame linebacker.
Minnesota — Phil Mrgan, East Tennessee State back; Veran Smith, Utah State linebacker.
Green Bay — Jim Van Gorden, Eau Claire quarterback.

AFL

Oakland — Bob Svihus, Southern California tackle.
Buffalo — Marty Schottenheimer, Pittsburgh linebacker.
Houston — Pat Counts, Western Kentucky defensive back.
Denver — Terry Metchner, Albion guard.
San Diego — John Farris, San Diego State tackle.

Rams Rookie Crop Is A Sensation Of The National Football League

Jack Hanley

Harland Svare looked at the Ram rookie crop this spring and said: "It's so good I just can't trim it." At the time that sounded like an extravagant statement by the Los Angeles football coach. Actually, it was the kind of statement that might be expected from the Ram publicity agent but not the coach.

However, here it is December and the Ram roster still lists 13 rookies. Never before has a pro football team come up with such a crop of good rookies.

When NFL teams cut to their final 40 players just before the start of the 1964 season, 101 first year men made the 14 clubs. The figure was consistent with those of recent years and not startling.

THE STARTLING thing was the baker's dozen kept by the Rams. Even more surprising is the fact that all 13 Ram rookies exceeded Svare's most hopeful spring expectations.

Two of the rookies came from colleges so small that most fans in the Far West never heard of them. Bucky Pope is from Catawba in the Carolinas. Les Josephson is from Augustana which sounds like it might be a school in the deep south. But Augustana is in the Dakotas, Sioux Falls to be precise, and won only two games in 1963.

Pope is a 6-5 end who specializes in catching touchdown bombs. He has caught nine already this season. And he has caught 14 other passes that put the Rams in scoring position. Of the total of 23 Pope has caught, three were against the 49ers for TDs when the 49ers were routed 42-14 by the Rams in Los Angeles Coliseum Oct. 18. Pope's yardage total is 687 for an amazing 30-yard per catch average.

JOSEPHSON is a six-foot, 210-pound fullback. He is an exceptionally strong runner who has averaged slightly more than five yards on 73 carries. And he can catch passes, too. He has caught 17 this season for 231 yards. Furthermore, he does well the third thing a fullback should do — block.

As good as Pope and Josephson are, they are no better at their jobs than other Ram rookies whose job is defense. Jerry Richardson and Aaron Martin are a couple of interception thieves in the Ram secondary.

Bruce Gossett is another Ram rookie star. He has kicked 17 out of 22 field goal attempts this year, the longest 44 yards. That has to be some kind of record for a rookie.

JOE WENDRYHOSKI, called Joe Alphabet by his teammates, is the starting Ram center now. He took over the job like a veteran instead of a rookie out of Notre Dame. Similarly, Andy Von Sonn, UCLA's captain last year, now is a regular Ram linebacker.

Willie Brown, Frank Budka, Marv Harris, Bill Munson, Billy Truax and Gary Larsen are the other Ram rookie stars. Munson still has refused to concede the Ram quarterback job to Roman Gabriel.

Australian Cracks Three-Mile Record

MELBOURNE, Australia (AP) — Ron Clarke of Australia smashed the world record for three miles tonight, running the distance in 13 minutes, 7.6 seconds. The time was 2.4 seconds faster than old record set by Murray Halberg of New Zealand in 1961.

The Australian long distance champion spread-eagled the field, which included Halberg. Clarke, who had to contend with a stiff wind, won by more than 100 yards from Halberg and Tony Cook of Australia.

In an earlier event, Peter Snell of New Zealand, holder of the world record in the mile, broke the Australian mile mark with a time of 3:57.6. He set his world record of 3:54.1 in Auckland Nov. 17.

The Australian meet was held at Olympic Park.

Clarke, holder of world records for six miles and 10,000 meters, used the same tactics in the three-mile run as he did in a victory over America's Olympic gold medalist Bob Schul in a 5,000-meters race here last month.

Early in the race he was content to remain second or third behind Cook, the pace-setter, but after they had gone through 1½ miles in 6:38.0 he began a sudden sprint which took the field by surprise.

Running with tremendous power, he roared away, leaving Halberg trailing far behind.

From then on it was only a procession, with Clarke running effortlessly and building a lead to almost 160 yards starting the last lap.

He had gone through two miles in 8:48.0 and covered the last lap in an amazing 60.4 seconds.

The feature race at the meeting was expected to be Snell's mile, and Clarke admitted after his race he had only run in the three miles because he felt he had a duty to appear at the meeting.

"I had no ideas about breaking world records," he said. "I just went into the race determined to do the best I could and I ran as fast as I could for as long as I could."

Snell's 3:57.6 mile — seven-tenths better than the old Australian record set by Albert Thomas earlier this year—was his 11th under four minutes, but a strong wind made a world record time out of the question.

He won by a clear 35 yards from Australian runner Keith Wheeler with Olympic steeplechaser Trevor Vincent third and New Zealand's olympic bronze medalist John avies fourth.

Warriors Lose; Next Come Celts

The San Francisco Warriors will be hurting for backboard strength when they host mighty Boston tomorrow night and Saturday in National Basketball Association action.

Wilt Chamberlain wearied and Wayne Hightower and Nate Thurmond were sidelined by injuries last night as Baltimore dumped the Warriors, 120-114, in a game played at San Jose.

Chamberlain, who hit 56 points in a double-overtime victory Tuesday night, obviously slowed down in the last quarter of last night's action. He managed to outscore rival pivot man Walt Bellamy only 33-31.

Thurmond, the 6 foot 11 reserve who gives the Warriors momentum in the late going, has been battling a groin muscle pull the past few contests. He had to sit out the late stages of last night's game and he was missed as the Warriors moved out to a 94-90 lead and then faded as Baltimore's Bellamy and Gus Johnson took charge of the boards.

Hightower broke his nose in three places Tuesday night and played wearing a mask last night. But he took an elbow on the nose in the fourth quarter and was forced to retire again.

One piece of good news for the Warriors will be the return of speedy Al Attles to the guard position. He has completely recovered from his leg muscle pull and is expected to be ready to go at full speed.

Another happy surprise for the Warrior fans was the 29-point outburst of Gary Phillips last night at San Jose. Guy Rodgers, Phillips and a healthy Attles could give the Warriors a solid back-court trio for the Celtic series.

UCLA Quint Will Open '64 Season

LOS ANGELE S(AP)—UCLA's defending National Cllegiate Athletic Association champions will put their 30-straight victory streak on the line tomorrow night when they invade Big Ten country to meet Illinois in their season opener.

The Bruins will enter the game as a favorite to continue their win streak to 31, but may find tougsledding against the Illini's 6-9 Sip Thoren. The big Illinois center kept it a close contest last year by scoring 24 points and grabbing 24 rebounds as the Bruins edged Illinois 83-79.

Illinois has its entire starting team back from last season and figures to improve its 13-11 mark.

Bruin coach John Wooden isn't the picture of a worried man, however, and he has good reason. Although definitely hurt by the graduation of All America guard Walt Hazzard, Wooden has all the material for another national champion.

Led by Gail Goodrich and Keith Erickson, the Bruins have an experienced corps of reserves to call upon when the going gets tough.

Goodrich paced the Bruins in scoring last season with a 21.5 per game average, while Erickson, a forward, led the team in rebounds.

Also scheduled to start are Doug McIntosh, a 6-6 center, Ken Washington, a forward, and Fred Goss, a guard who sat out last season. Only Erickson and Goodrich are seniors, while the others are juniors.

Five New Boxers In Hall Of Fame

NEW YORK (AP) — Boxing's Hall of Fame has five new members — Lou Ambers, Jim Braddock, Georges Carpentier, Ted (Kid) Lewis and Sam Colyer.

Their selection, announced yesterday, brings to 82 the number of fighters in the Hall. Ambers, one-time lightweight champion, and former heavyweight champion Braddock were voted in by boxing writers while a special committee picked Carpentier and Lewis and the directors selected Colleyr.

Twins' Trippler

MINNEAPOLIS - ST. PAUL (UPI)—Zoilo Versales of the Minnesota Twins led the American League in triples in 1963 with 13.

Marin Cagers Nipped By San Mateo, 66-64

College of Marin's cage team fought gamely before falling to San Mateo Junior College last night in a toughie on the winners' court, 66-64.

The loss evened the Marin record at 1-1. The Tars, who downed the Alumni team 97-78 Tuesday night, next face Chabot College tomorrow night at 8 o'clock in the new Kentfield gym.

Last night's game was close all the way. The Tars trailed at halftime by only one point, 31-30. At one time in the second half the Mariners had a 7-point lead over the home town team, but couldn't hang on.

The score was knotted at 60-60 with 1:45 left in the game, but San Mateo scored a basket and held on to the lead. The last six points for the victors were made on one field goal and four free tosses. Free throws are what hurt the Marin delegation which outscored the San Mateo quit from the floor. But more than twice as many fouls were called against Marin compared to San Mateo.

Brad Busch, one of the top scorers for Marin, fouled out with still 15 minutes left in the game. That hurt.

Guard Jay Johnson led the Marin scoring with 17 points. He was followed by Fred Arnold with 13, Bill Brody with 12, Jim Halm and Busch with 9 each and Rod Monti with 4.

Compared to last year's game against San Mateo, a much larger school than Marin, it was a fine effort for the Mariners. Last season Marin fell to those boys 84-67.

"It's early in the season and the kids haven't jelled as a team yet," said Marin coach Cal Riemcke. "But they really did a pretty good job." He credited Jim Halm and Fred Arnold with a fine job on the boards. Arnold had 14 rebounds and Halm 10. They were alternating between the center and forward positions.

Dodgers Almost Traded Howard

By CHARLES MAHER
Associated Press Sports Witer

HOUSTON (AP) — Outfielder Frank Howard of the Los Angeles Dodgers was as good as traded to Houston when the principal owner of the Texas club stepped in and killed the deal, the Associated Press learned today.

Houston General Manager Paul Richards and Dodger General Manager Buzzie Bavasi reached agreement on a trade that would have brought Howard to Houston for third baseman Bob Aspromonte and pitcher Ken Johnson, the AP was reliably informed.

But the informant said Bob Smith, chairman of the board of directors of the Houston club, vetoed the trade because he didn't want to let Aspromonte go.

The minor leagues approved a pro-football-type draft of high school and college players at yesterday's session of the winter baseball meetings. But trade rumors were still the principal conversation pieces.

It appeared there was still a fair chance the Los Angeles Angels would trade pitcher Bo Belinsky to the Philadelphia Phillies. But no one seemed to know which Philadelphia player or players might be involved.

The Angels could use a first baseman, a third baseman, or both.

There was also a rumor that Houston and the New York Yankees might have a deal in the works. The players mentioned were Johnson and catcher Jerry Grote of Houston and catcher John Blanchard and pitcher Stan Williams of the Yankees. One source said Houston wanted an additional player.

Minnesota and Kansas City discussed a six-player deal involving outfielder Jimmie Hall, third baseman Rich Rollins and pitcher Dick Stigman of the Twins and third baseman Ed Charles, pitcher Wes Stock and outfielder Nelson Mathews of the Athletics. The Twins said they turned it down.

Charles also was mentioned as a possible party in a Belinsky trade should the Angels fail to make a deal with Philadelphia.

The Pittsburgh Pirates were believed interested in outfielder Tony Gonzalez of the Phillies but unwilling to part with left-handed pitcher Bob Veale or right-hander Al McBean to get him.

There was talk of a three-way deal among the Cleveland Indians, the Twins and the Detroit Tigers. It would go like this: The Indians would send right-hander Ralph Terry to Minnesota for one of three left-handers, Jerry Arrigo, Jim Roland or Stigman. The Indians would then send the left-hander to Detroit for outfielder George Thomas.

The proposed draft of players with no professional experience was approved unanimously by the minor leagues and was to be considered today in separate meetings of the American and National leagues. It was expected to win approval.

Under the plan, there would be three drafts each year. The first two, in January and June, would involve college players and high school graduates not planning to attend college. The third would probably be held in August and would involve only American Legion and sandlot players.

Each major league club would be permitted to pick one player at each draft. Selections would be made in inverse order of the clubs' standings.

Should a player refuse to sign with the club that drafted him, he would become subject to selection again at a special draft session held prior to the next regular draft. He might then be picked by a club other than the one that drafted him originally.

One object of the draft is to put a brake on high bonuses. Under present rules, a player may sign with the highest bidder, playing one clubs offer against another's. Under the draft he would have to sign with the club that picked him or wait until the next draft, hoping to be picked by a club that would make a higher offer.

One of the most active proponents of the draft, President Gabe Paul of the Indians, said: "This is the greatest thing that has happened to baseball. It's a tremendous step in the right direction."

The Dodgers strongly opposed the plan but Bavasi suggested all clubs should now get together to try to make the draft work.

"There may be some kinks that need to be ironed out," Bavasi said. 'But we can always make some slight changes or amendments if necessary."

Said Commissioner Ford Frick: "This new law, when it becomes effective, should be a strong factor in curtailing some of those exorbitant sums of money spent by big league clubs on untried talent."

If adopted, the plan would become effective in January.

CANADA CUP MATCHES START

Palmer Going To Take Life Easier

By WILL GRIMSLEY
Associated Press Sports Writer

KAANAPALI, MAUI, Hawaii, (AP)—Arnie's Army can relax—the general is going to start taking it easier.

"I'm through knocking my brains out—next year I'll cut my tournament schedule almost in half," Arnold Palmer said today, before teening off in the Canada Cup International Matches—his 30th tournament of the year.

"For 10 years I've been playing in 25 or more tournaments every season. It's too much. I love golf. I don't want to get to the point that it is no longer fun but drudgery.

"Next year I'll limit myself to about 15 tournaments — picking them—and that'll be my diet from now on. I'm getting too old and tired to try to keep up with these young bucks week-in and week-out."

Palmer played in 26 PGA tour tournaments, visited Australia and Japan and competed in the World Match Play Championship in England. Besides this, he played television matches, appeared in numerous exhibitions and kept close watch on his myriad multi-million-dollar enterprises.

Palmer said he would play in the Los Angeles Open, Crosby and Palm Springs tournaments in California in January, make a Florida event or two (yet unselected) and compete in a pair of tuneup events in March looking to the Masters early in April.

"Then I'll be busy in late May and early June," he said. "I'll play the $100,000 tournaments, such as the Thunderbird and the Tournament of Champions. "I'll go to Britain for the Open, play in the PGA and then—boom—that's it.

"No Australia, no tours, the Carlings and the Canada Cup perhaps and then a good rest."

Gary Player of South Africa said he also would drastically cut his tournament activity.

"I haven't played since October and I feel great," he said. "Next year 20 tournaments will be the limit, then home to my family and farm."

Jack Nicklaus, Palmer's chief rival, at 24 is not ready to join the exodus to the sidelines.

"I'll play about 26 tournaments next year, the same as this year," the Columbus, Ohio, clouder said. "Then in 1966, I'll start tapering off myself.

"Like Arnie, I don't want to lose my enthusiasm."

COLLEGE BASKETBALL

Maryland Slips By Penn State, 72-71

By TED MEIER
Associated Press Sports Writer

All-America Bill Bradley of Princeton and Dave Bing of Syracuse displayed their basketball finesse to the nth degree, but the headlines went to Maryland's Neil Brayton.

Brayton flipped in a 40-foot, one-hand push shot with just four seconds left on the clock to give the Terps a 72-71 victory over Penn State. It was the highlight of last night's action on collegiate hardwoods.

Maryland led by 70-67 with 29 seconds left, but Carver Clinton's basket and two free throws by Ray Saunders put the Nittany Lions ahead with 11 seconds to go. Then came Brayton's game-winning one-hander from near midcourt.

Bradley paced Princeton's Ivy League champs to an 83-74 triumph over Lafayette with 29 points. He got 10 of them in the last five minutes after the Leopards rallied to within one point at 68-67.

Bing tossed in 20 points and handed out 11 assists in leading the seventh-ranked Syracuse team to an easy 127-67 triumph over American U.

Kansas State, No. 8, the only other team in the pre-season Associated Press Top Ten to play, whipped Creigton 96-82 behind Jeff Simons' 22 points.

Tennessee, rated a title threat in the Southeastern Conference, and Texas Tech, favored to win the Southwest Conference, impressed in their openers. The Volunteers crushed Richmond 97-66 as Red Robbins scored 18 points. The Red Raiders walloped McMurry 114-70 behind Norman Reuther's 20 points.

Bob Trupin's 32 points led Yale to a 77-71 victory over Colgate and Ohio State routed South Dakota 86-54 on a 50 per cent shooting average.

In other games Dayton walloped Niagara 95-64, Florida downed irginia Military 68-59, St. Bonaventure took Quincy 78-64, LaSalle downed Albright 81-57 and Arizona State humbled St. Joseph's, N.M., 94-79.

Penn beat Rutgers 100-75 and Temple defeated Gettysburg 72-59 in a doubleheader at Philadelphia. Harvard opened with a 100-64 romp over Amherst.

Alabama Coach Paul Bryant Not Resigning

TUSCALOOSA, Ala. (AP) — Alabama oach Paul Bryant, whose Crimson Tide football team has captured its second national championship in four years, said today he is definitely not going to resign this year "or for a long time."

Bryant said he issued the statement because of the rumors that "pop up every year."

"People have been calling me from all over the country about this," he said.

"I plan to coach here (Alabama) and no place else as long as we are winning," Bryant said, adding that he figures the Tide will win its share.

Bryant said his staff makes the job less demanding by taking almost everything off of him except the worrying, "and I believe I can take care of that."

However, he said he plans to cut down on "all this running around and making speeches that I have been doing.

"But as far as my quitting: First, Ive got to work at something; second, I like to work with football; third, I love to work at Alabama."

Arizona St. Coaches Lose Star Halfback To Raiders

TEMPE, Ariz. (AP)— An assistant football coach at Arizona State University said last night that just one week ago halfback Larry Todd promised he would be back in 1965 to play for the Sun Devils.

Todd signed a contract Sunday with the Oakland Raiders of the American Football League. Although Todd had one year of college eligibility left, he was included in the draft be cause his class graduates in June.

Assistant football coach Gene Felker said that Todd had promised head coach Frank Kush that he would play out his college eligibility and complete his education.

"Apparently many things have happened to this young man to suddenly change his mind," Felker said.

Felker confirmed that he had talked with Todd Tuesday about signing with Oakland.

A story yesterday in the Oakland Tribune quoted Todd as saying Felker had offered to show him how to get out of his contract with the Raiders.

The Tribune said it had talked with Todd by telephone and the player had told them:

"The coach told me that he knew I could get more money next year and that I have swindled myself out of quite a bit of money by signing to play for the Raiders. Then he said, 'if you want to get out of the contract, there is a way to do it.'

"I didn't ask him what the way was.

"He claimed the Raiders wooed me into feeling obligated to them."

Todd said the Riders did fly his father from Los Angeles to Watch him play in the season finale against the University of Arizona last Saturday night, but denied a feeling of obligation.

Felker said last night that he had talked with Todd and, "I told Larry that I was very disappointed that he had signed the contract for many reasons."

"The main reason was that I felt that by leaving school at this time his chance of completing his education would be almost completely lost," Felker said.

"I was responsible for recruiting Larry four years ago and I made a promise to his parents when he accepted a scholarship to Arizona State that I would do everything in my power in the way of guidance and direction to see that he completed his education.

"I also told Larry that I was disappointed in that I believed his chance for a better contract would have been enhanced tremendously by having an even greater year in 1965 since both Oakland and the San Francisco 49ers drafted him.

BUSY PREP CAGE SLATE TOMORROW

Two Marin Athletic League basketball teams will play home games tomorrow and four others take to the road.

Tamalpais hosts Galileo and Drake welcomes Vallejo, both games starting at 7 p.m. In "away" action: Novato is at Sonoma, 7 p.m.; Terra Linda is at DeAnza (Richmond), 7 p.m.; Redwood is at Piedmont, 3:30 p.m., and Marin Catholic will be at Serra High in San Mateo, 7 p.m.

In a schedule change, San Rafael High School will host Vanden High School of Travis Air Force Base Saturday evening at 6:30. The game was originally slated at Travis but has been moved to the San Rafael court.

Phils Try To Forget That Nose Dive

HOUSTON (UPI)—Gene Mauch doesn't want to talk about it, but he does.

He can't help himself because everywhere he goes, someone always comes up to him and says, "Gee, that was a tough one, Gene. What really happened to the Phillies there at the end?"

Mauch says they had better get all the questions out of their systems now.

"From the day I leave these baseball meetings, I'll never talk about it again," he vows. "It's the same as bringing up a death in the family all the time."

The good-looking, dark-haired 39-year-old Philadelphia manager revealed he doesn't even intend to bring up the subject of the team's monumental nose-dive to his players when they gather for spring training next February at Clearwater, Fla.

"Why should I?" he asked. "They're grown men, not kids. They don't need a pep talk and they won't get one. Every last one of them has pondered this thing the same as I and I'm sure they'll have the proper attitude about it next spring.

"Besides, I think they should be commended for what they accomplished, not to be ashamed for what they didn't do."

By now, the Phillies' fantastic fizzle has become almost ancient history to Mauch. No one has to remind him that his club dropped 10 in a row with a 6½-game lead and only 12 more games to go.

Mrs. Cole Is Twin Winner

Stanford Ace Is Out Of Lineup

By U.P. INTERNATIONAL

Stanford will be without high-scoring forward Bob Bedell when it takes on San Jose State tonight in the west coast's top cage attraction.

The 6 foot 6 junior sustained a fractured cheekbone Tuesday when he collided with teammate Kent Hinckley as the Indians defeated Santa Clara in their season's opener. Bedell faces an operation today.

Meanwhile, the California varsity is also hurting. An arthritic foot condition will keep starting forward Myron Erickson out indefinitely, perhaps for the season. Junior Dick Vortmann will start in his place when the Bears meet St. Mary's Saturday night.

In more action tonight, touring Chico State is at Weber College in Utah. Chico edged Omaha, 77-75, in overtime last night as Bill Treglown meshed 27 points.

Whittier last night rolled over Cal Poly of San Luis Obispo 102-90 as guards Bob Weister and Bud Ross hit 23 and 19 points respectively.

Powerhouse Arizona State scored a 94-79 win over St. Joseph's College of Albuquerque, N.M.

The FISHIN' FOOL

History Repeats: Present Run Of Stripers Similar To 1947

STEVENS

History does repeat itself, like for example: In 1947, the latter part of September, a car with three men in it stopped in front of my house. The driver came up the front walk and rang my bell. When I answered, I was invited to come to the curb and see something pretty. The driver was a stranger to me, but I wasn't a stranger to him, it seemed. He said he had been listening to my radio broadcast every Friday night for several years. Naturally I accompanied him to his car. The two men in the front seat descended and stood beside me as my caller lifted the trunk cover. I leaned closer to make certain my eyes weren't fooling me. There before me were 15 huge striped bass. Almost all of them were of the same size. My caller told me to take my pick. I chose what appeared to me to be around 12 pounds. It was the smallest of the lot, as most of them ran from 15 to 25 pounds. That's tale No. 1.

Tale No. 2 is about a trip I made a couple of days later aboard a party boat. We were back in the harbor at Richmond less than an hour later with 45 bass that ran a bit over 10 pounds in exactly 45 minutes of fishing. (The limit on bass at that time was 5 fish 12 inches or over.) That's the second part of the story.

ON MONDAY, Dec. 1, my doorbell rang. This time my caller was no stranger. It was the well known fishing addict from San Lorenzo, Audrey Payne. The two men in the car were also known to me, Audrey's hubby, Dick Payne, and Earl Hastings. The two males are officers in the newly formed Fishing Fools Rod and Gun Club. Which, by the way, has openings for several new members.

TO GET back to the concluding chapter of my tale. Once again I was told to pick out whatever fish I wished to keep for the table. It was a hard task. Outside of one bass that weighed 29 pounds and one that weighed close to that, the rest were more or less brothers. The fish ran from close to 12 pounds to 29 pounds.

THAT RUN back in 1947 lasted for several weeks. This run may do likewise, but I suggest you don't put it off too long. You might fish for many years without seeing such a remarkable run of large bass. Whether you take a rowboat from China Camp or Joe's Launching on the Marin side of the bay, or go aboard a party boat at Crockett or Rodeo, or a skiff from Bennett's Rodeo Marina or Joseph's at Rodeo, you can bank on having plenty of thrills while fishing with sardines, herring, anchovies or bullheads. Very definitely striper striving is very, very good. Briefly, China Camp reported wonderful action with fish ranging from 12 pounds to 25 pounds; Joe's Launching checked around 60 or 80 large bass on Sunday alone. So, in all honesty, what's keeping you at home? Chow!

Clay Aide Has Heart Attack

LOUISVILLE, Ky. (AP) — William Faversham Jr., an adviser for heavyweight champion Cassius Clay, has suffered a mild heart attack.

The office of the Louisville attorney-distiller executive announced yesterday that Faversham is expected to be in a hospital for two weeks and would be unable to conduct any of Clay's business for two months.

Faversham serves as manager of Clay for the sponsoring group behind the Louisville fighter. Associates will conduct Clay's business during his illness.

Shirley Campanella of the Weekenders League was the highlight attraction for the past week of league action at Country Club Bowl, rolling a 256 game on her way to a 575 series.

Rich Kinderveg of the 900 Classic League topped the series scores with a whopping 656 set. His games were 236, 217 and 203. Roy Deffner of the 900 Classic put together games of 224, 212 and 210 for a 646 series.

Shirley's 256 line was the top game of the week for men and women. Fay Scott of the Ladies 615 Scratch also had a good night, rolling a 563 series.

Eleven-year-old Bob Gorman topped the action for the junior keglers with a 211 game.

Speed Champ's Wrong Number

LOS ANGELES (AP)— Race driver Craig Breedlove strapped himself into his jet powered Spirit of America Oct. 15, and raced 526 miles an hour to set a land speed record across Utah's Bonneville Salt Flats.

But in doing it he also swerved off course, hit a telephone pole, landed in a canal full of water and nearly drowned.

And that wasn't the end of it.

Yesterday, he got a bill for $200 from the Mountain States Telephone Co. of Salt Lake City, the repair cost for the telephone pole he hit.

AFL Reaches Attendance Peak

NEW YORK (AP) —The American Football League has set an attendance record of 1,263,186 in 47 games as compared to the old mark of 1,241,741 set in the full 54-game schedule last season.

The two clubs that have completed their home seasons have set new marks. New York drew 298,972 for seven home games, compared to 103,550 last year at the Polo Grounds. Buffalo drew 257,324 to 209,719 in 1963.

New York, Boston, Buffalo, Oakland and San Diego broke their own single game records. The new high for the league was the 60,300 at Shea Stadium, Nov. 8 for the Buffal-New York game.

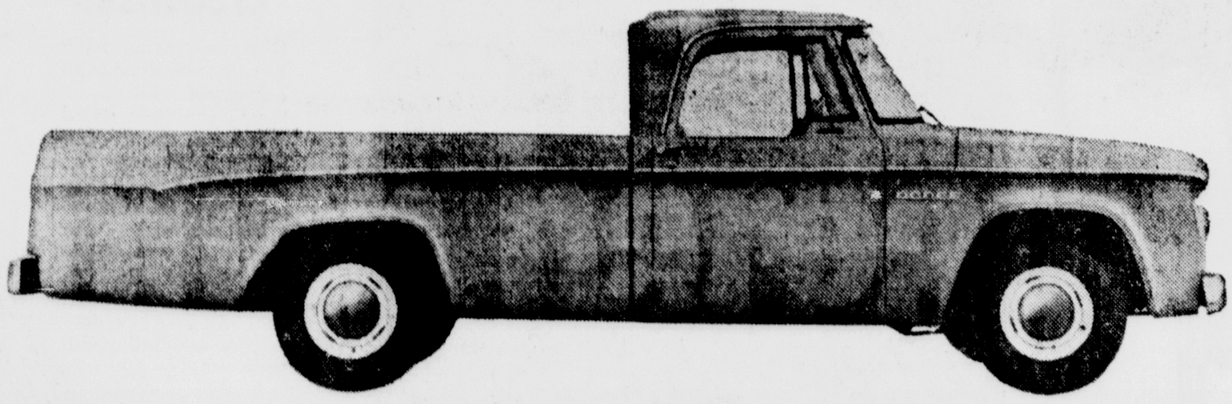

11 PGA Tourneys To Be Televised

NEW YORK (AP) — Eleven of the 13 Pro Golfers' Association tournaments which will be televised nationally during 1965 were named Tuesday.

They are: Phoenix Open, Feb. 14; Doral, Fla., Open, March 14; Greater Greensboro, N.C. Open, April 4; Houston Classic, April 18; Fort Worth Colonial, May 9; New Orleans Open, May 16; Cleveland Open, June 13; Philadelphia Classic, Aug. 8; Dallas Open, Sept. 5; Sahara Invitational at Las Vegas, Oct. 18 and the Palm Beach Open in November.

Pupils Have Pen Pals In Austria And Japan

A former teacher at San Clemente School in Corte Madera is maintaining a contact with Marin through sixth grade students she is teaching at the American International School in Vienna, Austria.

Teacher Andrea Suiter has encouraged a letter-writing relationship between her students and sixth graders at San Clemente School. Students discuss Austrian and California culture and include personal comments about school and home.

Fourth graders at San Clemente have started a pen pal arrangement with their opposite numbers at an American School on Okinawa.

The fourth graders have been most interested in "shi-shi" dogs, according to teacher Martha Gray. The statues of the dogs are used as entrance markers at home and public buildings to keep away evil and attract good.

According to Principal Robert Johnson, the letter writing projects have served both to increase interest and understanding of other people and to encourage children to write.

Sanitary District To Accept Church

Directors of the Corte Madera Sanitary District Tuesday told officials of the First Baptist Church that sewage would be accepted from a proposed parsonage near the church at 5461 Paradise Drive, but the church would have to pay for the pipe to reach an existing main.

The County Health Department has recommended against allowing a septic tank to serve the building, but there is no nearby sewer line.

There are more than 50,000 Indians in New Mexico.

Two Fined For Tipsy Driving

Two Marin County men were fined Tuesday in Marin Municipal Court for drunken driving.

Dale Herbert Hutchinson, 33, of 397 Bolling Drive, Hamilton Air Force Base, was fined $130. He was arrested on Diablo Avenue in Novato on Nov. 1.

Donald Middleton McBain, 22, of 317 Bayview Street, San Rafael, was fined $220. He was arrested last July 9 on Kent Avenue by California Highway Patrol.

Marinites Return From Round The-World

By MOLLY MARIN

A three-mile ride on horseback to Rose Red City in Petra, Jordan, highlighted an extended trip around the world for the James Goodales of San Rafael. The Goodales recently returned after spending three months touring Austria, Italy, the Greek Islands, Turkey, Egypt, Israel, India, Burma, Thailand, Hong Kong and Japan. Particularly memorable were the three weeks spent in India, with a good deal of the time in Kashmir.

A host of social events have been planned for Sunday's premiere of Benjamin Britten's "War Requiem" to be presented by the Symphony Guild with the Winifred Baker Chorale in the Redwood High School gymnasium.

FOLLOWING the concert, Mr. and Mrs. Walter Baird will host a reception at their San Rafael home, honoring the concert's musical director, Sandor Salgo; the associate conductor, Winifred Baker; and the guest of honor, British Consul L. S. L. Tyman and Mrs. Tyman. Mrs. Baird is president of the Symphony Guild of Marin.

MR. AND MRS. L. G. Boeck will be dinner guests of Mr. and Mrs. G. Edward French of San Rafael, before the concert.

At their Kentfield home, Mr. and Mrs. Maurice Salomon will entertain at dinner before attending the premiere. Guests will be Messrs. and Mesdames Robert L. Schultz, J. C. Hayes, Sherman Maisel and Adolphus Groupner Jr.

DINNER GUESTS of Dr. and Mrs. Christian Grombeck of Kentfield, prior to the premiere, will be Mr. and Mrs. James Clark, Mr. and Mrs. Thomas Clark and Mr. and Mrs. Nicholas Fittinghoff.

PRIOR to the concert Mr. and Mrs. Leslie J. Airth will entertain at a buffet dinner at their Tiburon home. Guests will be Mr. and Mrs. Hugh Leach, Mr. and Mrs. Leo Sakovich and the Misses Maybelle Reinecke and Geraldine Bowman.

ENJOYING A visit to Hawaii are the Robert Bowermans of Tiburon who sailed to the Islands aboard the Lurline. Their two sons will join them at the Halekulani for the Christmas holidays.

ENROUTE TO Hong Kong on the President Wilson is Mrs. Isabel Macury of San Rafael who will make stops at Japan, Hawaii and the Philippines during the six-week cruise.

ON VACATION trips are the David F. Zecks of Kent Woodlands who left Monday for Honolulu and the Stanley K. Van Stones, formerly of Marin, who are leaving for a Caribbean cruise and then on to New York and Boston.

Mill Valley WSCS Plans Luncheon

The annual Christmas program of the Woman's Society of Christian Service of the Mill Valley Methodist Church will take place Tuesday.

Featured is a Christmas play reading under the direction of Mrs. G. Russell Oaks. Augmented with scripture and singing, the play is entitled "If We Had Been In Bethlehem."

The devotional message will be presented by Mrs. Richard Stephens.

A Christms luncheon will be served at 12 p.m. preceding the program. Tables will be decorated in holiday motifs and some of the decorations will be for sale.

Luncheon hostesses are Mesdames Dana Bremner, Curtis Klein, Harold McLean, Lowell Napper and Scott Nelson.

A wide variety of Christmas decorations, gift items and holiday foodstuffs will be on sale before the luncheon starting at 11:30 a.m. and again after the program.

Reservations for the luncheon are to be made at the church office.

St. Mary's College Guild Plans Party

St. Mary's College Guild will hold its Christmas Party on Dec. 10 at the Apostleship of the Sea, 399 Fremont St., San Francisco. Mrs. John Healy of San Rafael is reservations chairman.

Karen Nackerud To Marry Kenneth Kentch In January

KAREN NACKERUD

Mr. and Mrs. Franz Nackerud of San Rafael have announced the engagement of their daughter, Karen, to Kenneth P. Kentch, son of Mr. and Mrs. Clarence Kentch of La Mirada.

Karen is the sister of Linda Nackerud of San Rafael and Jon Nackerud of Berkeley and the granddaughter of Mrs. Fred Hanify of Hanford. She was graduated from Bakersfield High School and is a senior at San Jose State College majoring in occupational therapy.

Kenneth attended Los Angeles City College and is currently attending San Jose State College while serving in the U.S. Navy.

A Jan. 30 wedding is planned at the First Presbyterian Church in Bakersfield after which the couple will reside in San Jose.

OWC Plans 'Carol Ball' On Dec. 12

Yule festivities of merry olde England will be recalled when the Officers' Wives Club at Hamilton Air Force Base present the "Christmas Carol Ball" on Dec. 12.

The 4650th Combat Support Squadron Wives will sponsor the ball to begin at 7 p.m. around the holiday wassail bowl, followed by an English dinner including shrimp, prime ribs of beef with Yorkshire and plum pudding, to be served at 8 p.m. Dancing will begin at 9 p.m.

Co-chairmen of the ball committee are Mesdames Julius Lepkowsky and Powell Moore. Heading the various committees are Mrs. Joseph Petit, menu; Mrs. Robert Austin, tickets and Mrs. George Wilson and Mrs. William Munson, club and table decorations and Mrs. George Rowcliffe, publicity.

Mt. Carmel Club To Sponsor Sale

The Mount Carmel Women's Club will hold its annual needlecraft and bake sale tomorrow, Saturday and Sunday in the lower hall of the Mount Carmel School, Mill Valley. Hours for the sale will be from 8:30 a.m. to 4 p.m., Friday and Saturday and 8:30 a.m. to 2 p.m. Sunday.

Co-chairmen are Mrs. K. E. Wittman and Mrs. Edward F. Klementovich, needlecraft, and Mrs. Louis Pastori, bake sale.

Many handmade articles will be for sale, including Raggedy Ann dolls, Christmas decorations and children's clothing. A special feature will be doll clothes made by Mrs. H. E. Morgan.

Many women of the parish have promised homemade cakes and other delicacies, and Mrs. Pastori will contribute some of her homemade goods.

All proceeds will go to the building fund for the new church.

On the same dates the Mount Carmel Library Guild will have many religious and festive items for sale in the lower hall. Mrs. Angelo Perone is library guild chairman.

ASSEMBLING YULE DECORATIONS for their Dec. 12th Christmas Carol Ball are, from left, Mesdames Francis Bissaillon, Ray Randall and James Joseph, of the Officers' Wives Club at Hamilton Air Force Base.

To Some A Toy May Be Therapy

By GAY PAULEY

NEW YORK (UPI) — A toy to most children primarily is for amusement. But to some a toy is therapy. It can mean the difference between the crippled, retarded, paralyzed or cerebral palsied child growing into independence — or spending a lifetime of near helplessness.

What toys can do for training is demonstrated graphically at the Institute of Physical Medicine and Rehabilitation of the New York University Medical Center, the facility headed by Dr. Howard Rusk, a pioneer in the field.

Liesl Friedmann, Viennese-born senior occupational therapiist in the Children's Section, talked of the therapeutic values of playthings in an interview.

"TOYS HELP the children to learn shape, size and color," said Mrs. Friedmann. "These are things the normal nursery and kindergarten child would be learning.

"We work to improve the use of hands, learning to make the best use of what is left. For adults, it would be arts and crafts. For children, toys.

"We try to make the patient as independent as possible, to train him toward self-care."

Mrs. Friedmann, who's been working with children since 1957, talked of toys in therapy after an Easter seal party for her charges. It was similar to other parties given simultaneously at National Society For Crippled Children & Adults centers in 43 states, to help observe the 50th birthday of the Raggedy Ann doll.

The occupational therapist said most of their patients, from ages two on up through the early teens, divide into four general types of the handicapped — the retarded, the cerebral palsied, the paralyzed either from birth defect or accident, and the amputee, some congenitally crippled, others having lost a limb or limbs through accident.

ONE OF THE VALUES of playthings, she said, is in teaching a child fitted with, say, an artificial arm to use it as well as his normal one. As a result, most of the toys call for two-handed use — joining large pop beads into a string, for instance, or making animals by joining the parts. Dolls are for fun and also to teach the child how and where an arm goes into a sleeve, to zip a zipper, snap a snap, button a button.

"We have one little girl who's learned about changing diapers on a doll," she said. "Now we change a diaper every day."

Doll carriages put into use the artificial arm as well as the normal one, both for pushing and grasping. Tricycles aid the paraplegic — specially equipped with seat belts to sustain him. Hobby horses teach hand grasp and use of legs for propelling. And Mrs. Friedmann's division is equipped with hundreds of other toys—toys to fit together, toys for pounding, pulling and winding.

Holly Ball Set Saturday In Woodacre

The Woodacre Improvement Club will have its Holly Ball Saturday night, with dancing to the music of a local combo, beginning at 9 p.m.

Mr. and Mrs. Kurt Kalemba are hosting the dance with the assistance of committee chairmen Mesdames Lawrence Ramatici, refreshments; Kay Burger, decorations; Gene Fryer, tickets; and Robert Benz, publicity. Highlight of the evening will be a visit from Santa Claus. A buffet will be served at midnight.

Branson Winter Formal Saturday

The winter semi-formal dance will be held by the Katharine Branson School on Saturday evening, with the sophomore class serving as sponsor. Virginia Dofflemyer, class president, is assisted by Mary Milliken, Pamela Skewes-Cox, Caroline Darsie and Jocelyn Mickle.

Receiving guests will be headmaster David W. Jackson and Mrs. Jackson, Mr. and Mrs. Philip Bass of Mill Valley and Mrs. Nadine Bergeron Van Orden of Kentfield.

New Members

Mrs. Andrew Schweighofer president, presided at the initiation of new members of San Rafael Ladies Auxiliary 256 of the Fraternal Order of Eagles. New members are Mesdames Bernard Mitchell, Daniel Johnson and Sadie Schantz.

Cathy Michl Bride Of Larry Hoekman

The First Presbyterian Church in San Rafael was the setting for the marriage of Cathy Marlene Michl and Larry John Hoekman, both of Novato on Nov. 21.

The Rev. Wesley Baker performed the double ring ceremony as the bride was given in marriage by her father. She is the daughter of Mr. and Mrs. Maurice W. Michl.

The bride wore a French chantilly lace gown re-embroidered with seed pearls and a full cathedral train. Her matron of honor was Mrs. Percy Michl and bridesmaids, Linda Pearson ano Theo Oberle of Novato and Dayle Hanley of Rohnert Park and Anita Beilfuss of Los Angeles. The attendents all wore matching floor length sheaths of apricot crepe.

Robert Hoekman of San Luis Obispo, brother of the bridegroom, was best man. Ushers were a brother, Doneil Hoekman of Novato, Dick Tumbleson of Pacific Grove, Mickey Michl of Novato and Amadeo Baldanzi of San Francisco.

Following a reception at the Lodge in Novato, the young couple left for a wedding trip to Los Angeles.

Cathy is a graduate of Novato High School and is employed at McCarthy Apothecary in Novato. She is the sister of Mickey Michl of Novato.

Larry is the son of Mr. and Mrs. John E. Hoekman of Novato and the grandson of Mr. and Mrs. Oscar Jensen of San Diego and Mrs. Dial Criswell of Modesto. He graduated from Novato High School and attended California State Polytechnic in San Luis Obispo. The bridegroom is employed at M and H Automotive. They will make their home in Novato.

Marie Louise Fedeli Plans Wedding In St. Raphael's

The engagement of Marie Louise Fedeli, daughter of Mr. and Mrs. Nicholas Fedeli of San Rafael to Graham Oliver Donovan has been announced by her parents at a recent cocktail party.

Graham, the son of Mrs. Frances Cranse of Santa Rosa and the late Charles Donovan, is employed as a quality control engineer at FMC Corporation in San Jose.

Marie was graduated from Marin Catholic High School and San Jose State College. She is the sister of Nicholas Fedeli Jr., who is presently attending the University of Santa Clara, and the granddaughter of Adam Fedeli of San Francisco.

Graham is the brother of Michael Cranse of Santa Rosa. He attended Santa Rosa High School and Junior College and was graduated from San Jose State College with a degree in mechanical engineering.

Following a Jan. 23 wedding at St. Raphael's Church in San Rafael, the couple will reside in Santa Clara.

New Sink Unique

NEW YORK (UPI) — For the family that enjoys entertaining:

A unique new sink for the home bar or entertainment center. Of stainless steel, it features a gooseneck faucet to accommodate tall containers; three wells with removable containers for bottles or ice and a maple cutting board which fits over one of the containers. The wells are 5½ inches deep, designed with a rim to prevent water from running into them, and they are easily removed for washing. The sink has a sound deadener applied to the underside to minimize dish clatter.

In charge is Mrs. Charles Diller Ryan of Ross, who is serving as chairman of the Closet Shop committee this year.

The shop, operated for the benefit of the scholarship fund of Marin Country Day School, is open every Thursday, Friday and Saturday from 10:30 a.m. to 4 p.m. and is staffed by mothers of children attending the school.

Donations of children's and adults' clothing, household goods, books and toys are welcome at any time and may be brought either to the school at 5221 Paradise Dr., Corte Madera, or to the Closet Shop.

Others members of the Closet Shop committee assisting Mrs. Ryan are Mesdames Richard Cruikshank, Edward Davis, John Hemingway, E. D. Mendenhall, Charles Ashley, John L. Webb, Brian T. F. Rowlands, Knud Wibroe, Donald Westerbeke, Maurice Worden and Horace Williams.

Marin Women

Tips On Lingerie Buying

NEW YORK (UPI) — Typical males doing their Christmas shopping act as if they're walking on eggs and expecting a bomb to go off right under their noses when approaching lingerie counters.

Captains of industry and captains of football teams display no more courage or confidence than do timid souls when invading this woman's world.

But dear little males, fear not. Terry Mayer, fashion director at Van Raalte, says you can help yourself ahead of time by knowing what type, what color, what size, and what will please the recipient most.

It's perfectly respectable, what's more, for men to show up in lingerie departments. Miss Mayer said more and more men are, buying for wives, mothers, daughters and, the femme fatale.

The women who get the gifts usually are extremely happy, Miss Mayer said such a gift compliments a woman's femininity.

Here are some rules the typical he-man should keep in mind when selecting lingerie:

Know her favorite color. It's easy to ask in a general question. (You might say — "I see ads indicate light blue is all the color for slips this season. Do you like blue?") Most women love pale blue and pink. Red is gay, festive and provocative.

LET THERE BE LIGHT

I have noticed so often that one of the most frustrating things to shop for is a new lamp. Sometimes people will come to our store looking for lights for a particular area and the very fact that there are so many to choose from gives them a feeling of hopeless confusion.

Well, let me say that if you will follow a few simple rules your lighting problems will fade away along with those dark corners in your room. First, determine what areas need reading light, the wall arrangements you wish to dramatize, and what the normal traffic patterns are in the room.

Where a lamp is to be used for reading it should be tall enough to shed good light over your shoulder but never so high that you see the globe from a seating position. If it is to be a table lamp try not to see it separately but as a complete unit with the table it sits on and the chair along side. Our eye takes in all of these at a glance so the three pieces should make a pleasing composition.

Chain lights can be used in many different positions and have certain advantages since they can be hung in floor traffic positions where another lamp might be in the way and also give height to a room by directing our eye upwards. They come in a great variety of styles for any decor and can be either decorative or provide general lighting. One excellent use is over the night tables in your bedroom so that the surface of the table is left free and the chains themselves become a decorative accent above your headboard.

Added glamor can be provided with small picture lights attached to a painting or by the use of wall ornaments that carry their own built in back lighting. Ask to see these on your next visit to our store.

Remember that a lighted lamp attracts the eye more than anything in your home and consequently becomes an important item. Never make the mistake of using a lamp that detracts when it can so easily set the tone for all the furnishing in the room. Color is important but so is texture which is so often overlooked. Tell us frankly what your lighting problems are . . . we will help select the lamps exactly suited to your individual needs.

Polio Threat Gone But Not Work Of March Of Dimes

Ten years ago right here in Marin County, poliomyelitis struck down 62 victims. Thirty-two, or more than half, were paralytic cases.

Today, new cases of polio are practically unknown in Marin County. During the last five years, only two cases of polio were reported to the Marin County Health Department. Those two came in 1962, and neither one was paralytic.

Those figures present a graphic picture of what mankind can do when it gets behind a campaign like the March of Dimes and declares all out war against a crippling disease.

But the job of the March of Dimes is not ended. Tomorrow night, the March of Dimes will launch its annual drive with a kickoff banquet at Rancho Nicasio.

With the battle against polio practically won, the campaign now swings its aim toward another field—birth defects.

Here is another area in which the March of Dimes can serve mankind. Correction of defects after birth is one job. But even more significant is the research and experimentation that are going on to prevent birth defects.

It is reassuring to know that the March of Dimes is not stopping with the battle against polio, but is carrying on with the war against other diseases. The campaign deserves continued public support.

No one doubts the effective job that the March of Dimes has done thus far. But just to emphasize the point, we cite these figures:

In 1954, Marin had 62 polio cases, 32 paralytic. In 1955—35 cases (11 paralytic); 1956—37 cases (19 paralytic).

Then came the sudden drop. In 1957 there were only 10 cases (7 paralytic); 1958—6 (3 paralytic); and 1959 — 4 cases (only 1 paralytic). Since 1960, Marin has had a clean slate except for two mild cases in 1962.

A campaign that has posted such an imposing record is now turning its attention to new worlds to conquer, beginning with birth defects.

More power to the March of Dimes. We hope that it gets the backing that it deserves.

GOVERNMENT ECONOMY BEGINS AT HOME WITH YOU

One legislator made a strong point when he said most of his constituents write in this vein; saying "We want economy but we want someone else to be economized on."

Don't deceive yourself by talking about economy but being unwilling to follow through on its consequences.

The fact that an average wage earner must work an estimated three months to pay his share of taxes should be strong incentive for him to take a "cost-conscious" view of local, state and national government.

Divided equally, total taxes of 162 billion dollars amount to $843 each year for every man, woman and child in the country—or $4,340 for a family of five.

As a stockholder in government, you should show an intelligent concern for the way it spends your money.

Are government costs too high? Going up too fast? Handled inefficiently? Too little in certain areas? It's your responsibility before God to find out and take the appropriate steps.

"Render to all men whatever is their due; tribute to whom tribute is due; taxes to whom taxes are due." (Romans 13:7)

Inspire me with prudence, O Holy Spirit, to know how to set realistic goals and choose the means to achieve them.

AFFAIRS OF STATE

Highways To Be Built For Use, Not To Save Our Scenic Beauty

By HENRY C. MacARTHUR

SACRAMENTO (CNS)—The resignation of Alfred Heller, publisher of the Nevada County Nugget, from the California Highway Commission, marks the end of a philosophy which, in the short six months he served, never really had a beginning.

Heller, promoter of an organization called "California Tomorrow," espoused the cause of what might be termed impracticality in the location of freeways. He was dedicated to the theory that scenic beauty is more important in the freeway system than usage by the motorists of the state.

THE PUBLISHER was wholly sincere in his attitude toward freeway locations. He has a great concern for the future of California. But his attitude received little, if any, support from the rest of the members of the highway commission, who are concerned with building highways for people to use rather than to enjoy from a scenic standpoint.

The commission consistently has voted down the suggestions and ideas proposed and espoused by Heller, despite the fact that the members are probably as interested as Heller was in maintaining as much scenic beauty in California as might be possible in line with usage and cost.

Hence, the suspicion is that Heller, far from quitting the commission because of other work he had to do, resigned because he wasn't getting across to the other members of the commission.

ALL OF WHICH once again brings up some questions that have been discussed for many years, along with the increase in population, automobiles and freeways.

Many people who are native to California would like to keep the state in the same condition it was 50 years ago, as far as scenic beauty is concerned.

But most of them realize this is not possible. Instead of getting better, the situation gets worse, and will continue so. Those who wish to eliminate convenience on behalf of scenic splendor are doomed to disappointment, no matter how sincere they are in attempting to enlist the services of government in carrying out their ambitions.

A CLASSIC example, which is not yet settled, is the losing battle of the scenic sponsors to penalize the people in the Lake Tahoe area by fighting a west side freeway and bridge across Emerald Bay, as well as cost the taxpayers several million additional dollars to build a high-level, dangerous highway.

Here convenience and ease of transportation would be sacrificed for scenic considerations, which are of questionable value, and in 10 or 20 years never would be noticed.

Students Block Street At Tam

Editor, Independent-Journal:

Recently you have run several items concerning protests regarding the situation around Tamalpais High School. May I suggest you send a photographer to cruise down Homestead Avenue. Perhaps the pictures of students standing in the middle of the street, completely blocking access to one street and refusing to move, throwing food at vehicles, littering the area and lying in the street would spur someone to action.

The charge that everyone refuses to accept responsibility appears to be true but I have no doubt that when one of those "students" is run over it will be very easy to find someone to blame.

I have never heard of such a silly situation as these ordinarily intelligent people wringing their hands in despair, unable to find a solution. If they refuse to close the campus there is only one alternative. A few people who are breaking the law will have to be arrested.

'Ignore Thy Neighbor, Sucker'

Editor, Independent-Journal:

In New York City recently a woman died while thirty-eight so-called citizens refused to help her; another woman was raped in a huge building full of co-workers; and a third, blood-bespattered mother climbed the bank of the Thruway with a child in her arms to get help for the rest of her family pinned in the auto wreck below, only to have a man turn away, saying, "I don't want to get involved." All have been not only victims of actions beyond their control, but as well of social inhumanity. Why, why, why???

In Marin County a man lives up to his responsibilities as a citizen and acts to protect others as well as himself. What has he gained from his commendable action?

The man he stopped is now off the felony hook—and what are the odds that the $100,529 suit is granted the "plaintiff"? When that happens, all those who have ignored human misery will have the last laugh. And those of us who do care enough to stop and help others in times of need will be forced to take a second look—because we can't afford the legal cost of protecting ourselves from the dregs of society who would take advantage of kindness. Ignore thy neighbor, sucker.

Christianity And South Viet War

Editor, Independent Journal:

After reading and hearing so much about Vietnam I would like to get in my two cents. As a veteran of the Marines during World War II it was always the "enemy" who was guilty of atrocities and crimes . . .

Well now I'm a little older than a green-horn kid rushing off to war to get 'the bad guys' and I might add my thinking has changed considerably to the extent that I give more thought to God's word in the Bible. The point that I want to make is this . . . This country has always had much pride in the feeling that we are a Christian nation basically . . . However most will admit how the morals have slipped rapidly in the field of family relations, sex, etc. . .

What I find appalling is to see in the newspapers and magazines South Vietnamese soldiers under the watchful eyes of 'American advisers' torturing not only guerrillas (soldiers) but also many merely suspected to be collaborators with the enemy, by beating, drowning, etc. Yet the majority of Americans are as silent as the grave regarding such acts . . . My advice is pure and simple. I suggest that those who claim to be 'Christians' study their Bible a little and see how they compare.

Congo Massacre Proves Red Vow

Editor, Independent-Journal:

Communist led rebels in the Congo have massacred 70 Americans, Belgians and English. This reminds me once again of the Communist vow that "we will bury you." Despite the pleas of peaceful co-existence and disarmament, the Communists do intend to fulfill that vow.

As I write this letter this Thanksgiving Day I would like to give thanks to God for being born and being able to live in this great country. Daily there are people risking their lives to gain the things we take for granted: the right to vote, the right of free speech and free press, unrestricted travel and to bear arms, FREEDOM. I pray that these shall never be taken from us and that someday all men may enjoy them.

Freedom and Communism cannot forever live on this earth together—one must triumph—one must perish.

AN AMERICAN tourist was having difficulty in London with words folks in those parts do not pronounce as they are spelled. "Remember," cautioned his guide, "that Leicester Square is called 'Lester Square,' that the Derby is called 'the Darby,' and that people here named St. John refer to themselves as 'Sinjin.' Furthermore, Cholmondeley is pronounced 'Chumley'."

A few moments later the tourist saw a sign outside a theater which read, "No Strings: Pronounced Success." "I give up," he said—and flew to Paris.

HOTEL TYCOON Conrad Hilton, caught on the wing as he hastened to catch a plane, was asked by a persistent reporter, "Isn't there one bit of advice you can give young men hoping to follow in your footsteps?" "Yes," snapped Hilton. "They should always advise their guests to be sure to put the curtain inside the tub before taking a shower."

JAMES MARLOW

It's Time Johnson Started Asserting World Leadership

WASHINGTON (AP)—President Lyndon B. Johnson, far more wrapped up in home problems than foreign ones, has had a year to prepare himself for asserting world leadership.

He has asserted very little of it yet in any truly visible way. Just because his foreign experience is limited, it remains to be seen how good he is in this field, or if he is good at all.

AT THIS MOMENT American foreign leadership is beginning to look a little beat up and tattered. Two good examples: The disintegrating war in Vietnam and this country's rickety NATO alliance with the West Europeans.

But he must prove himself soon, for time is running out on him.

Today two of his biggest immediate problems were in his lap, seeking solution: What to do about the Soviet Union in the United Nations and how to win the Vietnamese war or at least not lose it in total disaster.

PERHAPS IN HIS first year, when he had simply inherited the presidency, Johnson was reluctant to be pushy in foreign affairs, wondering if he could claim the full endorsement of the nation.

He can have no such reluctance now after the approval he got in his landslide election victory.

He has provided none of the sense of life and movement that distinguished President John F. Kennedy in foreign affairs, even when he accomplished little or blundered, as he did in the Cuban invasion disaster of 1961.

IN TIME THE action and goodwill Kennedy put into foreign affairs may be considered his greatest contribution to the presidency. At the same time, he was no match for Johnson in getting programs through Congress.

Johnson, as president since Kennedy's death, necessarily has had final say in this country's foreign decisions. But they have had none of Kennedy's shine if only for the reason that, while Kennedy acted in full view of the nation and the world with his decisions and his programs, Johnson has called the shots most of the time from offstage and out of view, using aides as emissaries.

Since that fatal Nov. 22, 1963, in Dallas, Johnson seems to have had three main occupations, all of them domestic: getting programs through Congress, running for election, and in the weeks since then at his Texas ranch getting his 1965 budget and programs ready for the Congress returning in January.

IN HIS FIRST year Kennedy put the Peace Corps in motion, stepped up the Vietnamese war, ordered the resumption of nuclear tests after the Soviet Union broke the test-ban moratorium, met with the then Soviet premier, Nikita Khrushchev, in Vienna, with French President Charles de Gaulle in Paris and with then British Prime Minister Harold Macmillan in London.

Johnson inherited a bad situation in Vietnam, but it has steadily been getting worse. Just a few weeks before he took office, President Ngo Dinh Diem was assassinated and a new government took over. Since then, one regime after another has been toppled.

Meanwhile, the Communist guerrillas of North Vietnam have been making hash of the resistance put up by the American-backed South Vietnamese, who at this minute seem to be falling apart.

RELATIONS AMONG the NATO allies are increasingly rocky. The United States isn't solving anything. Even its proposals to defend Europe with a 25-vessel fleet armed with Polaris nuclear missiles has bogged down.

Johnson's order to use American planes in rescuing hostages held by Congo rebels has caused a storm. And with Khrushchev thrown out, Johnson doesn't know what to expect from his successors in the Kremlin.

INSIDE WASHINGTON

Thorough Shakeup Pending In Cabinet

By ROBERT S. ALLEN and PAUL SCOTT

WASHINGTON—Those White House-inspired reports that President Lyndon B. Johnson contemplates no sweeping personnel changes are decidedly misleading.

That isn't what's happening behind the scenes.

Despite the soothing published assurances, the real fact is that every State and Justice Department official holding appointive office already has been formally notified to submit his resignation by Dec. 15. These written resignations are to be post-dated as of Jan. 20, start of the president's own administration.

HEADING THE list of these requested resignations are Secretary of State Dean Rusk and acting Atty. Gen. Nicholas Katzenbach.

This is only the start. Similar White House directives are going to appointed officials in all other departments and agencies. The inside word is there will be no exceptions. Everyone holding office "at the pleasure of the president" will get the same order.

In other words, the stage is quietly being set for a big shake-up.

THERE IS NO explanation for the curious contradiction between the lulling public word and the patronage ax being busily readied backstage.

Little doubt can be raised about the latter.

In the State Department — among those definitely slated for replacement or reshuffling are Secretary Rusk, who probably will be offered the U. N. ambassadorship; Ambassador Adlai E. Stevenson, who will be asked to take a top European embassy; Assistant Secretary G. Mennen Williams, in charge of African affairs, who may or may not be offered another job acceptable to him.

Eager to be secretary of state are McGeorge Bundy, one-time Harvard dean and special White House adviser on foreign affairs, who rated high in President John F. Kennedy's councils and is equally well regarded by President Johnson; and Sen. J. William Fulbright (D-Ark.), chairman of the Senate Foreign Relations Committee, whom Kennedy almost appointed State Department head. Fulbright and Johnson are old close friends.

Also due to leave the State Department is Abba Schwartz, controversial head of the Bureau of Consular and Security Affairs, who has long been under congressional fire.

ON THE OTHER hand, Mrs. Frances Knight, director of the Passport Office, is definitely being retained. She already has that assurance from the White House. This is a big triumph for her, as she and Schwartz, nominally her superior, have been at bitter loggerheads for more than a year. Their feud is one of the most torrid in Washington.

This significant backstage contrast in the prospects of these two officials is deemed to be directly related to a statement the president made some months ago to Sens. James Eastland (D-Miss.) and Thomas Dodd (D-Conn.), chairman and member of the Internal Security Subcommittee.

The president told them flatly he intended to "thoroughly houseclean" the State Department after the election. In return, the two senators expressed willingness to delay publication until after the balloting of hundreds of pages of testimony on State Department personnel — that could have proved highly explosive campaign ammunition.

ONE TOP Justice Department official who already knows he is on the way out is Asst. Atty. Gen. Herbert Miller Jr., head of the criminal division.

The 40-year-old Republican, appointed by President Kennedy, has submitted his resignation and been told it will be "accepted."

I-J REPORTER'S NOTEBOOK

College Trustees Might Take Steps In Building Troubles

THE MARIN Junior College District Board will be able tonight to take a few first steps in clearing up the building program which seems headed for financial difficulties.

The first will come with consideration of a new contract for the district's architects, Falk and Booth of San Francisco. The proposed contract would cover not only the present 10-year pay-as-you-go building program but a future program for the ultimate development of the North Marin campus.

As the contract has been written by the architects, in consultation with the college administration, the district gets a break in the rate for the architect's fee over the present amount. The benefit is especially big for the district if more than one building is contracted at a time.

BUT, AS IS usually the case with such contracts, the rate is based on the amount of the construction bid. The more expensive the building, the higher the architect's fee.

Here is a chance for the district to break precedent and set an absolute maximum for the architects' fee. Such a contract would not necessarily encourage the architects to design cheaper building, but would remove the temptation to add frills which jack up the price.

A contract with a maximum fee for either engineering or architectural services is rare, but not unheard of. The federal government uses such provisions, at least with engineers.

THE SECOND move coming soon, although perhaps not tonight, is formal consideration of the job specifications for a building coordinator. Such a man would ride herd on the contractors and architects both before and during construction.

Here is the chance for the district to hire a man who would have a chance to tell the board members certain aspects of a building program are not needed, or deserve low priority.

The coordinator should, presumably, be familiar with both education and construction, not be so close to either that he will feel any loyalty to experts trying to snow the board members.

FINALLY, AS has been said numerous times by now, the entire construction and financing programs need to be looked at thoroughly once more.

On financing, the present program and the one for the county civic center both raise questions about whether pay-as-you-go financing is so all fired cheap.

With a bond issue, interest may have to be paid, but the cost of building is set. If assessed valuation rises quickly, the tax rate is cut, rather than having revenue rise.

WITH PAY-AS-you-go, if assessed valuation goes up, the buildings just become fancier. Also, by spreading construction over several years, inflation in building costs takes a toll.

William J. Collins, whom the board recently gave the title of "vocational coordinator," but whose real job is to ferret out federal and state funds, has learned that a federal loan might be gained, without a vote by the people in the district, to take care of the entire 10-year construction program.

The interest on the loan would be 3.75 per cent, a bit more than bonds, probably. The loan will undoubtedly be checked into, but, as with lease-purchase arrangements, complaints can be expected from people who want to vote on major capital improvement items.

Department Store Santa Hears More Than Requests For Gifts

NEW YORK (AP)—Remarks a department store Santa Claus gets tired of hearing:

"Last year I told you I wanted a bike and ya brought me a pair of roller skates, ya bum. This year I want ya to get it straight. Bring me a bike."

"LET ME down! Let me down! I want my mama!"

"We like you to show enthusiasm, Roscoe, but don't you think you're overdoing it a bit? Just kiss the children—and let the mothers alone."

"Hey, fellow, I have to play Santa Claus for my kids on Christmas Eve. How about letting me in on a few secrets of the trade?"

"OF COURSE, they ain't real whiskers. When he takes you up on his lap, give them a big pull—and I betcha they'll come right off in your hands."

"No, Johnny. You mustn't punch Santa in the stomach. He's a nice man."

"Would you mind keeping an eye on my little boy while I go over to the lingerie department, Santa? I won't be gone more than a few moments."

"WHATEVER you bring me, don't bring my little brother anything at all. He's been bad—and he pulled my hair, too."

"Your 'Ho, ho, ho' sounds a little hollow this morning, Roscoe. I suggest you'd better practice up on it during your lunch hour."

"I know my little girl didn't mean to get her lollipop stuck in your whiskers, Santa. If we can just find a pair of scissors, I think I can cut it out."

"THE KID next door told me that Santa Claus is really your father, but you sure don't look much like my old man to me."

"When he bends down to pick up the next little girl, Jimmy, you sneak up behind him and put this tack in his chair. I double-dog dare you."

"You ought to have had better sense than to eat a garlic bread sandwich, Roscoe. I'm afraid I'll have to dock you half a day's pay. The kids won't come within a mile of you now."

"How are you fixed for blades, fatso?"

Still Aglow After 50 Years Of Use

LOUISVILLE (AP)—A. P. Fleck and his wife have a glowing reminder of their 50th wedding anniversary.

Nurse Advisory Council Elects

Shirley Conklin, coordinator of the College of Marin registered nursing program, has been elected president of the advisory council to the California Board of Nursing Education.

Miss Conklin, representing the California Nurses' Assn., succeeded Dr. William D. Evans of the California Medical Assn. as president.

The council advises the state nursing board on education, licensing and practice.

San Joaquin Valley Has Most Fallout

BERKELEY (UPI) — Radioactive fallout during the month of October was greater in the San Joaquin Valley than in other parts of the state but not great enough to cause concern, the State Health Department said yesterday.

The department said airborne radioactivity average 1.4 picocuries for each cubic meter of air in the valley and one picocurie in the remainder of the state. The Sierra had an average of only .6 of a picocurie.

Novato High School Music Department Slates Concert

The fall concert of the Novato High School music department will be presented at 3 p.m. Sunday in the school's old gymnasium.

The concert will feature two choruses and the concert band, said John Yardas, music director.

The band will play "Themes from Lawrence of Arabia," "Homestretch fora Band" by Le Roy Anderson, and "Do Ri Me," from "The Sound of Music." The two choruses will be heard in selections from "Oklahoma!", "I Whistle a Happy Tune" from "The King and I," and "The Carol of the Drum."

Shiela Cornett, freshman, and Charles Young, junior, will be soloists with the choral accompaniment in the theme and spiritual from "Lillies of the Field."

Bob Edwards, junior, will be the narrator for one band number, "Variations on a Folk Song," by Schuman.

Education Careers

Careers in education will be discussed by coordinator of placement Vernon A. Wallace and teacher placement supervisor Gail M. Humphrey, both of San Francisco State College, at noon Tuesday in room 26, Austin Science Building at College of Marin.

Scholastic Society Members Announced

Temporary membership to the state-wide junior college scholastic society, Alpha Gamma Sigma, has been granted 31 students at College of Marin.

New officers of the campus chapter are Robert J. Gunnarson, Hamilton Air Force Base, president; John Winters, vice president; Marci Crum, secretary; Elaine Stoumen, treasurer, and Jack Sathre, inter-club council representative.

Temporary membership is by invitation for students with a B average or better carrying at least 12 units of work. Permanent membership is granted for students with a 3.2 grade point average, equivalent of a B-plus, for three semesters.

The new members are David Adams, Judith Anderson, Ken Bowerman, Emily Burns, Leta Chavez, Lynn Crawford, Miss Crum, Judy Gowland, Gunnarson, Wendy Hardcastle, Virginia Helton, Kaaren Iverson, Jay Johnson, Ulf Jonasson, Dorothy Keays, Karol Lindenbaum, Robert Long, Suzanne Lose, Stephen Novacek, Mavis Pareto, Durel Patton, Imogene Richmond, Kathe Robinson, Nadine Sahlin, Esther Salata, Sathre, Vivian Schluter, Robert Seifert, Miss Stoumen and Carol Wells.

AMA Selects President-Elect

MIAMI BEACH, Fla. (AP)—The American Medical Assn.—faced by a climax in its fight against medicare—reached into its highest governing body yesterday to choose Dr. James Z. Appel as its new president-elect.

Appel, 57, a family physician from Lancaster, Pa., and a member of the AMA Board of Trustees, will take over the president's job in June—likely in the middle of the AMA fight to stop the passage of medicare through Congress.

Appel will replace Dr. Donovan F. Ward of Dubuque, Iowa, the current AMA president.

Synanon House Is Topic For 'Speak Out'

Supporters and opponents of Synanon House at Marshall will speak on KRON-TV's "Speak Out" program Sunday at 2:30 p.m.

The program, titled "Synanon by the Bay," will explore the recently announced program of exchanging drug addicts between Synanon chapters on the east and west coasts.

Outgoing Marin County Supervisor George H. Ludy will speak for property owners opposed to the project; Synanon director Jack Hurst and National Sponsors of Synanon chairman Stanley Burnie will speak for the project. Also on the program is James Soetaert, Marin County probation officer.

Stinson Beach To Honor Four 'Adopted Residents' At Dinner

Three Navy men, who became "adopted residents" of Stinson Beach this summer and fall, will be honored at a testimonial dinner tonight by the Stinson Beach Fire Protection District commission.

A fourth man, an airman, will also be honored but will not be present.

The dinner for the Good Samaritans will be at 6:30 p.m. at the Grand Hotel.

The men are FTM/2c Harvey Venier, 22; FTM/3c Jim Long, 20, and FTMSN Russell McClintock, 22, all stationed at Mare Island Navy Yard, and A/1c Peter Genichwitz, 21, stationed at Travis Air Force Base.

"It was a case of the boys taking to the community and the community taking to the boys," said Thomas Tawns, fire commission secretary.

In August the four young men began visiting Stinson Beach. On their first trip "over the hill" they came around a curve on Panoramic Highway and found two persons had been hurt in a motorcycle accident. They stopped and gave first aid. Venier volunteered to go to the hospital with the Stinson Beach Volunteer Ambulance to leave one qualified person at its first aid station at Stinson.

Venier is a former medical corpsman in the Navy and all four have first aid qualifications.

For the rest of the summer and fall, the men helped on ambulance calls, fought fires and, most recently, assisted in the search for Mrs. Catherine Wurster of Berkeley.

The men got permission to stay overnight at the firehouse on weekends. When some trouble developed with a resucitator, they fixed it.

They polished equipment, painted arrows all over town to direct the way to fire hydrants, painted the firehouse, and waxed and scrubbed the firehouse floors. "They used a lot of wax," said Yvonne Gilman, an ambulance corps member.

Genichwitz has returned to his home in Miami and will be stationed next at an Air Force base outside of Manila. Long and McClintock will leave Sunday to go aboard the Goldsbourgh at Honolulu. Venier will leave Saturday to fly to Honolulu where he will be stationed on the Cochrane.

Last Saturday at the firemen's ball, the volunteers and ambulance corps presented each man with a check, knowing they do not get paid much, said Mrs. Gilman.

"Their trained abiiity was such an asset to the community, especially all during the summer," said Tawns, "when our first aid needs were great. We look forward to them coming back to the community."

A million and a half people live in the 5,461 square miles of Northern Ireland.

Mental Health Program Is Voted

TULARE (UPI) — The Tulare Board of Supervisors yesterday voted to establish a mental health program under the Short-Doyle Act.

Under the program, which was approved by a 3-1 vote, the county will use $50,000 which it now spends for holding facilities for psychiatric cases. The state will provide another $150,000.

Students Qualify For 4-Year Colleges

More than half the entering students at College of Marin could have qualified for a four-year public college in California directly from high school, according to a report by Dean of Students Irwin P. Diamond.

The rest qualified, because of high school grades, for junior college entrance only, he said.

Permit Sought For Bay Pilings

Three Belvedere men have asked the Army Corps of Engineers for permits to drive pilings at two locations on Richardson Bay so they can build houses with decks or floats extending into the water.

One application was submitted by David Allen and Russell Rice, both of 83 Beach Road. They plan a house and deck on the bay. The second permit is sought by Marion W. Robinson, who plans a house and float about 2,000 feet south of the other.

Anyone opposing either plan on navigational grounds must submit such objections in triplicate to the corps at 100 McAllister Street, San Francisco, by Jan. 1.

County Parks, Rec Meeting In January

The Marin County Parks and Recreation Commission cancelled its monthly meeting scheduled yesterday for lack of quorum.

Recreation director Kelvin J. Nelson said the December meeting will not be rescheduled. Next meeting of the commission will be Jan. 6.

Today is Thursday, Dec. 3, the 338th day of 1964 with 28 to follow.

The moon is new. The morning stars are Venus and Mars. The evening stars are Jupiter and Saturn.

Civil War Union Gen. George McClellan was born on this day in 1826.

On this day in history:

In 1833, Oberlin College, the first truly co-educational college in the U. S. opened its doors.

In 1929, the Ford Motor Co. raised daily wages from $6 to $7 despite the collapse of the stock market.

In 1948, the nation learned that microfilm of secret U. S. documents had been found in a hollow pumpkin on the farm of Whittaker Chambers.

A thought for the day—British statesman Sir Winston Churchill said: "There is no finer investment for any community than putting milk into babies."

TIME AND TIDE

Department of Commerce, United States Coast Geodetic Survey, Western District headquarters. Times and heights of tides at San Francisco (Golden Gate):

The column of heights gives the elevation in feet of each tide above or below the plane of Coast Survey chart soundings. The depths are always additive to the chart depths unless preceded by a minus sign (-), when the numbers are subtracted from the depth given in the chart. Light-face type indicates a.m. times; **bold-face type** indicates p.m. times.

HOW TO PLAY

WINNING BRIDGE

By ALFRED SHEINWOLD

Use Worthless Trump To Ruff Out A Loser In Bridge Game

In some hands you may either ruff your losers in dummy or set up dummy's long suit to discard your losers.

The choice depends on the entire hand, but remember one point if you decide to ruff losers in the dummy: make sure you ruff with an otherwise worthless trump.

Opening lead — ♠ 10

South planned to try the heart finesse and took the most direct route to his hand by winning the first trick with the queen of spades.

NOT SAFE

Now it was no longer safe to ruff a heart in dummy since dummy's only trumps were the ace and king, both needed for drawing trumps.

Not seeing his danger, South tried the heart finesse, losing to the king. Back came a heart to dummy's ace.

When South eventually ruffed a heart in dummy he had to use the king of trumps for the purpose. This set up East's jack of trumps, and now South was sure to lose one trick in each suit.

BEGINNER'S MISTAKE

It was a beginner's mistake. South should preserve dummy's low trump for the heart ruff. Declarer wins the first trick in dummy with the king of trumps and gets to his hand with a high diamond for the heart finesse.

If East returns a trump, declarer must again win in dummy. He clears the ace of hearts out of the way and gets to his hand with a high diamond to lead his last heart.

When he ruffs this with dummy's deuce of trumps, the hand is made.

THEN EASY

It is then easy for South to get back with the ace of clubs to draw the last trump with the queen. Ten tricks are assured.

Actually, most experts would play for dummy's clubs instead of playing to ruff a heart in dummy. It is easy to set up the clubs in spite of the bad break in the suit.

But this is another story. The important thing is to handle the trumps correctly if you do decide to ruff a heart in dummy.

♣ A 5

What do you say?

Answer: Bid one spade.

You have 13 points in high cards and one point for the doubleton, and the total is enough for a mandatory opening bid.

HOW TO KEEP WELL

By DR. THEODORE R. VAN DELLEN

Flu Vaccines Face Problems Of Constant Change In Virus

VAN DELLEN

More than 75 different agents are capable of producing upper respiratory infections. A vaccine against one is useless against the other 74. The goal is a polyvalent vaccine that will give immunity against all, including the viruses that cause the common cold.

The influenza vaccine contains substances that are effective against flu viruses that we encountered in the past, as well as against some of the current troublemakers. They offer protection against five or six viruses only and cannot be expected to prevent respiratory infections resulting from other viruses or bacteria.

THE VACCINE is said to be 70 per cent effective and is worthwhile despite its limited scope of usefulness. It is a must for those who are hardest hit by flu — victims of chronic lung and heart diseases, oldsters, and pregnant women.

Influenza ranks second to the common cold, with 83 million cases reported in the national health survey for the year ended June, 1963. We are not dealing with a second rate disease.

Numerous problems are associated with the preparation and use of respiratory vaccines. The body seldom develops prolonged protection against these diseases, despite the vaccine, and the reinfection rate is high. Authorities reason that if nature cannot do so how is it possible to develop a vaccine that will give long lasting immunity?

VIRUSES ARE unpredictable when it comes to propagating them in the laboratory. This makes it difficult to prepare standard vaccines in large quantities. These viruses also have the faculty of changing slightly from year to year as a result of mutation. The Asian strain of 1963 may not be identical to the 1964 model.

(Dr. Van Dellen will answer questions on medical topics if stamped, self-addressed envelope accompanies request.)

BETTER THAN EVER

Mrs. J. B. writes: Can a man return to normal living after a heart attack?

REPLY

Yes, and often finds a new life that is better, happier, and more rewarding. As an example, we frequently tell those recovering from coronary thrombosis that they now have an exuse to turn down or avoid anything they do not care to do. This means parties, staying up late, speeches, and committee meetings.

SHORT SON

S. J. writes: My 24-year-old son is short. To make himself look taller, he stuffs paper inside his shoes. I'm afraid he will fall but he insists on doing this. Please tell me what can happen.

REPLY

There is no harm in this, provided the paper does not put an abnormal strain on the arches. Elevator shoes are better but, best of all would be to adjust to his short stature.

WEIGHT AND TENSION

Mrs. D writes: Are the vast majority of hypertensives chubby?

REPLY

No. Overweight does not cause hypertension but it may aggravate the condition in predisposed persons. This explains why the blood pressure is lowered when a tubby hypretensive loses weight.

RED NOSE

M. A. writes: What is the name of the illness that causes the tip of the nose of a middle-aged woman to turn red?

REPLY

Acne rosacea. It is associated usually with alcoholism but other causes include over-use of tea or coffee, digestive tract disturbances, and overeating. Now and then the rosacea begins during the menopause.

Today's Health Hint — A pregnant woman should not gain more than 15 to 17 pounds.

County Will Continue As Rabies Area

Marin County will continue to be a rabies area during 1965.

The State Department of Public Health has so notified the Marin County Board of Supervisors.

The notice came as no surprise to Dr. Carolyn B. Albrecht, county health officer, as 21 rabid animals have been discovered in Marin this year. A county cannot be removed from the "rabies area" list until it goes through a calendar year without a rabies case.

Declaring Marin a rabies area means that the county health department will again have to operate rabies vaccination clinics for dogs next summer. It also entails requirement that all dogs be vaccinated against rabies at four months, and that all dogs that bite anyone must be quarantined.

Negro Urges Average Goals

JACKSON, Miss. (UPI)—Mississippi Negro Masonic Lodge members were told last night they must ask for nothing more and settle for nothing less than what the average American wants.

Amos T. Hall, a Tulsa, Okla., Negro attorney and member of the President's Human Relations Commission, issued the challenge to the annual session of the 18,000-member Mississippi Negro Masonic organization.

"Justice must be exacted and we will be triumphant if we remember never to give way to hate, not to discount ourselves and not to ask for special privileges because we are Negroes," Hall said.

Preacher's Son Is Convicted In Negro's Death

JACKSONVILLE, Fla. (UPI) — The 22-year-old son of a white preacher, was convicted yesterday of manslaughter for slaying a Negro woman. She was shot last March during a period of racial violence.

A 12-man, all white circuit court jury returned the verdict after an hour's deliberation. J. W. Rich was given until Dec. 14 to seek a new trial, and will be sentenced at that time if the new trial is denied.

Rich has been charged with the first degree murder of Mrs. Johnnie Mae Chappell. The 35-year-old woman was shot on a highway south of here.

States Atty. William A. Hallowes said that Rich and three others rode in a car through a Negro district and someone in the car suggested "Let's get a Nigger" before the shooting.

Radio Free Europe Support Is Urged

WASHINGTON (AP)—President Lyndon B. Johnson has asked for public support for Radio Free Europe where, he said, the "people — and some of their rulers — long for deeper, steadier and more natural relations with the West."

Johnson gave a White House luncheon yesterday for officials of Radio Free Europe, a privately financed organization supported by public contributions.

Civilians Lose Defense Jobs

WASHINGTON (AP)—Only 28,500 of the 63,401 jobs to be eliminated under the Pentagon's latest base-closing order are held by civilians, the Defense Department reported yesterday.

The rest are filled by military personnel.

Secretary of Defense Robert S. McNamara announced last month that 80 bases in the United States and 15 overseas were being shut down for economy reasons.

No Objection To Floating Dock

No objection has been received by the Army Corps of Engineers to the request of Mr. and Mrs. Charles W. Patridge Jr. of 223 East Strawberry Drive, Mill Valley, for a permit to install a floating dock next to a privately dredged channel on the Strawberry Peninsula's east side.

Deadline for objections on navigational grounds was Monday.

Relations Director Tests Set

Six candidates for the newly created post of county director of community relations services are scheduled to appear before an oral board next Thursday at the Civic Center.

Personnel Director Robert Elliott said that 14 persons applied for the job, which has a salary range of $870 to $1,058 per month.

The director of community relations services is slated to be ex-officio director of the County Human Rights Commission and will be expected to coordinate existing community services and possibly play a role in the Economic Opportunity Act program.

Public Health Nurse Resigns

Margaret Hoff of Mill Valley has resigned as director of public health nursing for the Marin County Health Department, Dr. Carolyn B. Albrecht, county health officer, announced today.

Margaret Halliday, supervising public health nurse, has been named acting director while recruiting is under way to fill the position, Dr. Albrecht said. The job pays $650 to $790 per month. An examination may or may not be required, Dr. Albrecht said.

Miss Hoff's resignation was effective Monday. She quit to become director of public health nursing for the City of Berkeley.

Civil Defense Exercise Location Is Changed

A civil defense exercise scheduled for Monday, the 23rd anniversary of the Japanese bombing of Pearl Harbor, will be held in the multi-purpose room of Manor School, Fairfax, instead of at the Fairfax Pavillion as originally planned.

In announcing the change, Gordon B. Adams, Marin County Civil Defense director, said the exercise would be held at 7:30 p.m., the time originally scheduled.

TELEVISION REVIEW

Visit To Tokyo Is Armchair Fare

NEW YORK (AP)—Fads—or trends, as they are called in television—infect public affairs programs as they do entertainment programs.

A few seasons back, the vogue was for the controversial, even daring, approach often accompanied by a strongly editorial point of view. Those were the days when NBC's "white paper" series tackled everything from Soviet philosophies and when "CBS Reports" worked with hidden cameras to expose a Boston bookmaking establishment.

Lately, it seems, the networks are all off on an armchair tourism kick.

Last night CBS in a news department production called "Five Faces of Tokyo," gave us an hour trip around the Japanese city.

It was on the whole an interesting visit but the program was probably one of those undertakings that looked a lot better in blueprint than on our television screens.

Thei dea was to have five Tokyo residents from different walks of life and social classes show us their city from their viewpoints.

If the program had stuck with any one of these for the hour, it would have been much more interesting and enlightening. Five people were too many and much of the time it was hard to know whose eyes we were looking through.

Producers of NBC's "Mr. Novak" will start immediately hunting for a replacement for Dean Jagger, forced to quit the show because of a return of an ulcer condition. Jagger costarred as a high school principal, Mr. Vane, while James Franciscus, in the title role, plays a young English teacher.

RECOMMENDED TONIGHT: "The Defenders," CBS, 10-11 (EST), "The Siege," a drama with Robert Redford playing an escaped lifer.

Genetic Counsel May Be Next Medic Expert

ATLANTA (UPI) — Dr. Morris Fishbein of Chicago, one of the nation's most respected medical authorities, yesterday forecast a new medical profession: Genetic counseling.

However, he cautioned that the idea is still many years from becoming a reality.

"We have about 10 per cent of the knowledge we should have concerning birth defects. We still need the other 90 per cent," Fishbein said. The former editor of the Journal of the American Medical Assn. described the counseling service as a lot like marriage counseling.

Engaged couples could seek the advice of a professional geneticist who, after making tests, would be able to predict whether they were likely to produce children with birth defects.

Marinite Is Grad At Forestry Camp

Donald A. Rudnick of 103 Greenfield Avenue, San Rafael, was among eight graduates of the 13th class of youth trainees at the state-sponsored Oak Glen Forestry Camp near Beaumont, Riverside County.

The six-month training program provides experience in insect control, fire prevention and other forestry projects. It is carried out by the Division of Forestry and is believed to be the only school of its kind.

FIRST FILING

Leydecker Expenses: $16,207

Byron W. Leydecker, only supervisor for Marin County to have yet filed his November election expenses, received a total of $17,270 in contributions and spent $16,207.74, according to his report to the Marin County clerk's office.

This includes both primary and general election contributions and expenses. George H. Gnoss, county clerk, sair Leydecker's accounting was filed by Nov. 10 because he took office that day and filing is required either before assuming a newly elected post, or within 35 days of the election whichever comes first.

This leaves remaining candidates until 5 p.m. next Tuesday to file their expense reports, Gnoss said.

According to Leydecker's account of the campaign for general election, he received $7,600 from 44 contributors. He declared his campaign expenses were $7,932.63. Broken down, this was $2,100 for salaries; $234 for rent; $135.56 for utilities; $33.76 for miscellaneous supplies; $1,231.58 for printing; $2,020.63 for postage and $2,177.10 for advertising, the report indicated.

Campaign donations from 82 persons for his primary campaign totaled $9,670, records show. Expenses were $8,275.11. Leydecker is supervisor of the first district, having defeated John F. McInnis of San Rafael.

Terra Linda High Plan Group Forms

Three new student committees have been formed at Terra Linda High School which will, according to the school's student council, "help in the planning and successful completion of school functions."

Ellen Greenburg, a sophomore, heads the service committee, which will identify service projects that students may sponsor.

Brigid Gallagher and Janet Parker, both seniors, head the poster committee, which makes posters advertising student body projects.

Lori Di Muro heads the display case committee, which will obtain and plan displays for the showcases at the school.

College Blood Drive Slated

A blood donor drive, sponsored by the Pep Club at College of Marin, has been set for next Monday, Wednesday and Dec. 11 at the Marin Blood Center in San Rafael.

Club president Hal Aigner asked parents, faculty members and staff members to contribute blood, in addition to that given by students.

Appointments and arrangements for rides are being handled by school nurse Norma O'Hair. The center is open 10 a.m. to 6 p.m.

The college blood bank has only eight units of blood, and more is needed badly, Aigner added.

Actor In Sanitarium

HOLLYWOOD (UPI) — Actor Percy Kilbride, 76, was transferred from Good Samaritan Hospital to Chase Sanitarium yesterday for rehabilitation, following brain surgery.

Torme's Wife Says He Can Use Trains

LOS ANGELES (AP) — Singer Mel Torme's estranged wife says a collection of electric trains, model airplanes and miniature racing cars are community property.

But she agreed in court yesterday that he can use them, providing he doesn't dispose of them, pending their divorce proceedings.

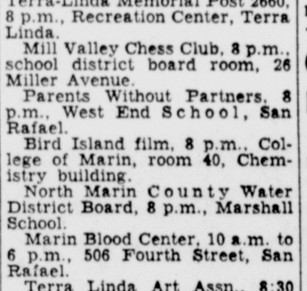

Torme filed suit in July charging Mrs. Arlene Torme, 34, a former model, had been intimate with other men. She filed a cross complaint alleging cruelty.

Torme, 39, has temporary custody of their son, Tracy, 5.

It was agreed that the family home in Beverly Hills will be sold and the proceeds split.

Youth Dance Set

Mill Valley Youth Council will hold a dance for high school age members only at 8 p.m. tomorrow at the Municipal Park Clubhouse to music of the Chord Lords. Mrs. Al Santos of 14 Underhill Road has volunteered to furnish adult chaperones.

Pleads Innocent To Gate Death

Kenneth Mark New, driver of a car that killed a worker on the Golden Gate Bridge Sept. 28, pleaded innocent to a felony auto manslaughter charge yesterday in San Francisco Municipal Court.

Preliminary hearing was set for Jan. 20 in San Francisco Municipal Court. The case has been delayed because New was being treated for a psychiatric disorder at Veterans' Hospital in Martinez.

Hospital authorities said today that New signed himself out of the hospital Nov. 25, against his doctor's advice. On Nov. 25 New was ordered to appear in court today to make his plea.

New's car killed Arthur S. Olson of Novato. Olson was a bridge maintenance foreman who had worked on the bridge for 22 years.

LBJ Dedicates Polaris Sub Sam Rayburn

WASHINGTON (AP)—President Lyndon B. Johnson says this country's Polaris submarines, strategic bombers and long-range missiles "guarantee any adversary that retaliation for a nuclear attack on this country would be inevitable and devastating."

"Because the world knows it," he said, "the chances of war are lessened—and the chance of lasting peace is greater."

Johnson spoke from the White House by telephone yesterday to commissioning ceremonies at Newport News, Va., for the nuclear-powered submarine Sam Rayburn.

Rayburn, a Texan, served in Congress for nearly half a century and held the office of House speaker longer than any other American. He died in 1961.

Scaffolding Is Stolen

It must have taken a truck to pull off the theft reported to San Rafael police by Walter F. Barner of Sonoma Tuesday.

Barner said he erected a large aluminum scaffolding on a front pillar of the new Wells-Fargo Bank building in the Northgate Shopping Center Monday night.

Yesterday morning, the $300 scaffolding was missing. Police said it belonged to Western Builders Empire Glass Co. of Santa Rosa.
